## VICINITY NEWS.

**A Few Things That Have Happened With-  
in One or Two Hundred Miles  
of Here.**

The next convention of the State W.  
C. T. U., will be held at Jamestown.  
Scarlet fever prevails in Cuba, and  
one death occurred from that disease  
last week.

The board of supervisors of Allegany  
county will hold its annual meeting at  
Belmont, Monday, Nov. 13.

Rev. M. W. Conille, lately of Wells-  
ville, has accepted a call to the pasto-  
rate of the Baptist church at Athens,  
Pa.

James H. Stevens of Hornellsville,  
who was recently nominated for county  
judge of Steuben county, and who at  
first declined the nomination, has been  
persuaded to accept, and a strong effort  
will be made to elect him.

The Sheriff of Steuben county has  
offered a reward of \$150 for the cap-  
ture of the "Martin Gang," who it is  
thought have been guilty of the numer-  
ous highway robberies and burglaries  
that have recently been committed in  
Hornellsville and vicinity.

Edmund Leisher, a rustic looking  
tramp who said he was a farmer from  
Waterville, Minn., was arrested at Hor-  
nellsville Saturday. He had \$15 in his  
pocket and claimed to be going to New  
York to have a friend get him a pen-  
sion. A search revealed two shirts,  
and an inner one, contained in four  
pockets \$525 in gold and bills was  
found. Then he confessed to having  
mortgaged his farm to get money to go  
to New York to buy green goods at the  
rate of \$3,000 in counterfeit money for  
\$450 in good cash. Leisher had circulars  
advertising a lucrative enterprise.

Fred Morris, a harness manufac-  
turer, of Bath, has failed. Judgments  
for over \$65,000 are filed at the county  
clerk's office against Morris in favor of  
G. H. Hellock, Frank Campbell, Gould  
& Nowlan of Bath, the Cuba National  
Bank, Albany City Bank, Globe Pan-  
ning Co., Columbia National Bank of  
Buffalo, and several other parties.  
The sheriff levied upon the stock by  
virtue of three executions for about  
\$12,000 in favor of Buffalo parties,  
when Frank Campbell and the First  
National Bank of Bath brought action  
against the sheriff, as they held chattel  
mortgages upon said stock.

Wednesday night a safe in the hard-  
ware store of Burdick & Green, at Al-  
fred Centre, was blown open and \$5 in  
money stolen. The burglars also made  
a call at the postoffice in Alfred. Be-  
sides breaking into these two safes, the  
robbers stole a horse and buggy be-  
longing to Elisha Fenner, from his  
barn between Alfred Station and the  
Centre. The rig was found in the road  
near Hornellsville the next morning.  
The work on this safe would indicate  
that it was the work of a professional  
safe cracker. The same night that the  
safe was broken into a man named  
Pettibone, who lives between Alfred  
and Hartsville, had a team and wagon  
stolen. As yet it has not been recover-  
ed.

C. J. Starkweather, who keeps a re-  
pair shop at Addison, became conver-  
ted at a Salvation Army meeting the  
other night, and publicly confessed to  
being a poker player and the keeper of  
a poker room. He also confessed that  
he had been drawing a fraudulent  
pension of \$17 a month from the  
United States government. He was  
not a soldier in the war of the rebel-  
lion, but in the regular army, his line  
of duty being fighting Indians. While  
on picket duty he fired a bullet through  
the left wrist. He has forwarded his  
papers to the pension office, with a  
confession to the above facts. He has  
been drawing a pension for seven years.

Willie Henry of Farmersville, N. Y.,  
aged 12 years, was accidentally shot  
through the stomach at his home a few  
days ago. He died in a few hours.  
He and his brother were at work in the  
yard, when a friend came along and  
asked them to go hunting. Both  
wished to go and both at the time  
made a rush for the shot gun, which  
was in the house. Each succeeded in  
getting hold of the gun and a scramble  
ensued, neither being willing to release  
his hold. In some manner the gun  
was accidentally discharged with the  
above result. The boy's mother was  
above reproach, and the accident not be-

## The Cheese Market.

UTICA, N. Y., Oct. 30.—At the Utica  
board of trade today the following sales  
of cheese were made: 523 boxes at 10%;  
214 boxes at 10%; 1,044 boxes at 10%;  
1,880 boxes at 10%; 1,060 boxes at 11;  
50 boxes at 11%; 806 boxes at 11%.  
No large cheese sold above 11c; market  
½¢ lower than last week; 50 packages  
creamery butter at 25½¢; 21 packages  
creamery at 26¢.

At Little Falls today: 998 boxes at  
10%; 1,939 boxes at 10%; 1,066 boxes at  
11; 292 boxes dairy at 10½¢; 356  
boxes dairy on commission; 83 pack-  
ages creamery butter at 26; 58 packages  
dairy butter at 24½¢.

## The Right of Women to Vote.

There seems to be some doubt in the  
minds of the people as to whether, after  
all, women have the right to vote for  
School Commissioner. Judge Williams,  
a Justice of the Supreme Court, (not in  
this Judicial District) has decided that  
the law of 1892, giving women the right  
to vote for School Commissioner, is  
unconstitutional. The matter has  
been appealed, however, and the Court  
of Appeals may look at it in an entire-  
ly different light. Attorney General  
Rosendale has given as his opinion that  
inspectors of election should accept  
ballots from women as the law of 1892  
directs, inasmuch as the matter of the  
constitutionality of the law has not  
been finally determined. There is no  
doubt that this advice will be followed  
throughout the State, and every woman  
who is registered should vote.

## One More Unfortunate.

Meyer Aronsohn, a German Jew ped-  
lar about 20 years old, who was well  
known to the country people of And-  
over and adjacent towns, was found dead  
on the Erie track near Addison early on  
Tuesday morning of last week, under  
circumstances which lead many to sus-  
pect that he was murdered. Both legs  
were cut off by a train, but there was a  
wound on his head seemingly inflicted  
by a weapon of some kind. An exam-  
ination of his pack, which he had left  
in the care of an Addison clothing firm,  
showed that he had nearly sold out a  
stock of goods representing a cash value  
of \$600, purchased of his jobbers, Fru-  
denheim & Co., of Elmira. According  
to his book only \$275 worth had been  
sold on credit, and yet but \$1.19 was  
found on his body. At a coroner's in-  
quest, concluded on Monday, six jurors  
found Aronsohn's death to be accident-  
al and one held that it was due to foul  
play. The Elmira Advertiser says:

The many friends of Aronsohn are  
not satisfied with the verdict of the ma-  
jority, and it is stated that a number of  
substantial Jewish citizens will bear the  
expense of a thorough investigation,  
and if it is found that the young man  
met foul play, they will make a great  
effort to bring the guilty parties to jus-  
tice.

Few itinerant vendors have made  
more or warmer friends than the young  
man, who by many was called Harri-  
son. He was genial, gentlemanly and  
honorable. All his patrons were his  
friends. On his first trip over his route  
he took his early lessons in the English  
language from the tongue and pen of  
T. A. Burdick, with whom or whose  
children he has since made a stopping  
place on his trips. For a lady residing  
in Whitesville, whose name is unknown  
to the News, Aronsohn had great re-  
gard, speaking of her as his "American  
mother." Outside of his nation and  
faith the young man had many friends,  
and all are sincere mourners for the  
young pedlar.

## After Election Visit New York—Erie Line's Popular Excursion.

Public attention is called to the fact  
that the popular Erie will run a cheap  
excursion to the metropolis on Wed-  
nesday, Nov. 16th, (week after election)  
at the low rate of fare one way for the  
round trip. Tickets will be accepted on  
all regular trains including vesti-  
buled limited and same to return with-  
in ten days. Pullman palace cars are  
run on all trains. For pleasure or  
business always take the Erie. Call  
on ticket agents for Pullman berths or  
further information.

Nature should be assisted to throw

bottle of Harman's 1874 Tonic Bitters.

## Butter Cream Crackers.

For flavor, crispness, keeping quali-  
ties and everything required to make a  
first-class cracker, there is nothing equal  
to Butter Creams, manufactured by the  
Binghamton branch of the New York  
Biscuit Co., under the personal super-  
vision of C. C. Jackson, Manager. Ask  
your grocer for them. The name BUT-  
TER CRACKER is stamped on each  
cracker.

ety store. O. E. Vars.

The wisest course in politics is to  
vote for the best man, and you cannot  
be mistaken. So, in the use of blood  
purifiers, you can't be mistaken if you  
take Ayer's Sarsaparilla, because all  
parties agree that it is the best—the  
superior medicine. Try it this month.

The Best Plaster.—Dampen a piece  
of flannel with Chamberlain's Pain  
Balm and bind it over the seat of pain.  
It is better than any plaster. When  
the lungs are sore such an application  
on the chest and another on the back,  
between the shoulder blades, will often  
prevent pneumonia. There is nothing  
so good for a lame back or a pain in  
the side. A sore throat can nearly al-  
ways be cured in one night by apply-  
ing a flannel bandage dampened with  
Pain Balm. 50 cent bottles for sale  
by L. A. Burrows.

**"Seeing is Believing."**

And a good lamp  
must be simple; when it is not simple it is  
not good. Simple, Beautiful, Good—these  
words mean much, but to see "The Rochester"  
will impress the truth more forcibly. All metal,  
tough and seamless, and made in three pieces only,  
it is absolutely safe and unbreakable. Like Aladdin's  
of old, it is indeed a "wonderful lamp," for its mar-  
velous light is purer and brighter than gas light,  
softer than electric light and more cheerful than either.

Look for this lamp—The Rochester. If the lamp dealer hasn't the genuine  
Rochester, and the style you want, send to us for our new illustrated catalogue,  
and we will send you a lamp safely by express—your check of over \$2.00  
will secure the largest lamp store in the world.
