

W. C. T. U.

The Woman's Christian Temperance Union of Andover meets the first and third Thursday in each month.

Mrs. Gordon Cummings, the traveler, says that her experience has been that where the missionary makes one convert in Oriental lands the British government has made a hundred drunkards.

Dr. Richardson, before he became an abstainer, prescribed wine to a celebrated boat race trainer. He refused it, saying, "I should by drinking wine lose four points on which I rely in my business, viz: endurance, decision, precision and presence of mind."

New Zealand is the first of English colonies to give women equal rights with men. A bill giving them such rights has just become a law. The first election under the new law will be held in December. The only other state in the world in which men and women have the same political status is Wyoming, in this country.

Miss Alice Fletcher, the ethnologist, who has made a study of the Omahas and other Indian tribes for the Peabody Museum at Cambridge, has been paid the highest price of any woman employed by the government. As a special agent of the Indian Bureau she drew a salary and eight dollars a day for her expenses while making the allotment of lands to the Nez Percés and other tribes given individual holdings or farms.

It costs twenty five hundred dollars to keep a man in prison for five years, and three thousand to keep a patient in the infirmary, while it takes twenty-five hundred to keep five children in a workhouse in England. The sale of strong drink is rather a costly thing, for it is the principal agent in filling the prisons, workhouses, etc.

A correspondent of "On Duty" says: "A bright Presbyterian clergyman breakfasted with me this morning, and among many kind words spoken of the W. C. T. U. women occurred the following, 'Who has ever said so many severe and sweeping words—and true—and yet maintained throughout the world a reputation for gentleness and sweetness as has Frances Willard?'"

The tragic death of the young German Jew peddler, Meyer Aronson, notice of which appeared in last week's News, caused considerable grief among those of our townspeople who knew and respected him for his

integrity and indomitable industry, and it is said the lady whom he designated as his "American mother," is the wife of John A. Woodcock of Whitesville, at whose house he made his headquarters while staying in that place.

The Best Plaster.—Dampen a piece of flannel with Chamberlain's Pain Balm and bind it over the seat of pain. It is better than any plaster. When the lungs are sore such an application on the chest and another on the back, between the shoulder blades, will often prevent pneumonia. There is nothing so good for a lame back or a pain in the side. A sore throat can nearly always be cured in one night by applying a flannel bandage dampened with Pain Balm. 50 cent bottles for sale by L. A. Burrows.

IT SHOULD BE IN EVERY HOUSE.
J. B. Wilson, 371 Clay St., Sharpsburg, Pa., says he will not be without Dr. King's New Discovery for Consumption, Coughs and Colds, that it cured his wife who was threatened with Pneumonia after an attack of "La Grippe," when various other remedies and several physicians had done her no good. Robert Barber, of Cooksport, Pa., claims Dr. King's New Discovery has done him more good than anything he ever used for Lung Trouble. Nothing like it. Try it. Free Trial Bottles at L. A. Burrows Drug Store. Large bottles 50c. and \$1.00.

Are your children subject to croup? If so, you should never be without a bottle of Chamberlain's Cough Remedy. It is a certain cure for croup, and has never been known to fail. There is no danger in giving this Remedy in large and frequent doses, as it contains nothing inurious. 50 cent bottles for sale by L. A. Burrows.

CASTORIA

for Infants and Children.

"Castoria is so well adapted to children that I recommend it as superior to any prescription known to me." H. A. ARCHER, M. D., 111 So. Oxford St., Brooklyn, N. Y.

"The use of 'Castoria' is so universal and its merits so well known that it seems a work of supererogation to endorse it. Few are the intelligent families who do not keep Castoria within easy reach." CARLOS MARTIN, D. D., New York City. Late Pastor Bloomingdale Reformed Church.

Castoria cures Colic, Constipation, Sour Stomach, Diarrhoea, Fructation, Eklia Worms, gives sleep, and promotes digestion. Without injurious medication.

"For several years I have recommended your 'Castoria,' and shall always continue to do so as it has invariably produced beneficial results." EDWIN F. PARKER, M. D., "The Winthrop," 135th Street and 7th Ave., New York City.
