

W. C. T. U.

The Woman's Christian Temperance Union of Andover meets the first and third Thursday in each month.

Have you had a kindness shown?
Pass it on;
'Twas not given for thee alone
Pass it on;
Let it travel down the years,
Let it wipe another's tears,
Till in heaven the deed appears—
Pass it on.
Have you found the heavenly light?
Pass it on;
Souls are groping in the night,
Daylight gone;
Hold thy lighted lamp on high,
Be a star in some one's sky,
He may live who else would die,
Pass it on.

After seeing a distillery, brewery and tobacco factory, a bright old country woman remarked, "Ain't I thankful we women folks hain't got all that stuff to smoke, and chew and swallow down."

An English manufacturer recently admitted to one of our white ribboners that although it was his custom to give two glasses of beer a day as an extra to men who cleaned his chimneys, he found that a neighboring manufacturer who gave money instead of beer, got his work much better done.

Fifteen dollars a day represents the average amount paid into every saloon in the United States. This multiplied by two hundred and fifty thousand, the number of saloons, and that result by 365 days, gives the total of \$1,268,750,000, which amount represents the drink bill for one year. No wonder there are hard times for working men and their families!

Prof. Goldwin Smith, who has written against prohibition and total abstinence men, now gives the following opinion: "When I see the havoc, the ever increasing havoc which drink is making with the industry, the vigor, the character of the British race, I have sometimes asked myself whether it is incumbent on Legislature to stop a cattle plague by closing the ports against contagion, the most deadly of all man's plagues ought to be allowed to spread without control."

The Best Plaster—Dampen a piece of flannel with Chamberlain's Pain Balm and bind it over the seat of pain. It is better than any plaster. When the lungs are sore such an application on the chest and another on the back, between the shoulder blades, will often prevent pneumonia. There is nothing so good for a lame back or a pain in the side. A sore throat can nearly always be cured in one night by applying a flannel bandage dampened with Pain Balm. 50 cent bottles for sale by L. A. Burrows.

IT SHOULD BE IN EVERY HOUSE.
J. B. Wilson, 371 Clay St., Sharpsburg, Pa., says he will not be without Dr. King's New Discovery for Consumption, Coughs and Colds, that it cured his wife was threatened with Pneumonia after an attack of "La Grippe," when various other remedies and several physicians had done her no good. Robert Barber, of Cooksport, Pa., claims Dr. King's New Discovery has done him more good than anything he ever used for Lung Trouble. Nothing like it. Try it. Free Trial Bottles at L. A.
