A New York philanthropist furnishes coal to the poor at cost, selling it by the scuttle full just as cheap as by a large quantity. In the summer the same gentleman sells milk and ice at the same station.

Over thirty thousand railroad men in this country are wearing a little button upon the lapels of their coats bearing the letters "R. T. A." which means Railroad Temperance Association.

Mrs. Yung Ju, wife of the Chinese minister, and her three daughters, were introduced into Washington society at the New Year's reception at the White House. They are the first Chinese women who have ever appeared in society at Washington. It is altogether contrary to Chinese customs and traditions, but the Chinese minister is a man of advanced ideas, and proposes to place the women of his household on the same footing socially with the women of Western nations.

Miss Mary Clapier Ritchie, of Philadelphia, recently contributed \$10,000 each to the University and Jefferson College Hospitals, and \$5,000 to the Philadelphia Home for Incurables, to provide a bed in each for the treatment and maintenance of indigent single women suffering from incurable disease. These endowment are in memory of her brother, the late Commodore Robert Ritchie, U. S. N. It must be a satisfaction to the donor to see her gifts fulfilling their appointed mission during her life.

About a year ago I took a violent attack of la grip. I coughed day and night for about six weeks; my wife then suggested that I try Chamberlain's Cough Remedy. At first I could see no difference but still kept taking it, and soon found it was what I needed. If I got no relief from one dose I took another, and it was only a few days until I was free of my cough. I think people in general ought to take pleasure in acknowledging the benefit I have received from it. Madison Mustard, Otway, Ohio. 25 and 50 cent bottles for sale by L. A. Burrows, Druggist.

And a good lamp

must be simple; when it is not simple it is not good. Simple, Beautiful, Good—these words mean much, but to see "The Rochester" will impress the truth more forcibly. All metal, tough and seamless, and made in three pieces only, it is absolutely safe and unbreakable. Like Aladdin's of old, it is indeed a "wonderful lamp," for its marvellous light is purer and brighter than gas light, softer than electric light and more cheerful than either.

Look for this stamp—THE ROCHESTER. If the lamp dealer has not the Rochester, and the article you want, send to us for our new illustrated catalogue and we will send you a lamp safely by express—your choice of over 2,000 varieties from the Largest Lamp Store in the World.
