ONE DOLLAR A YEAR.

HAMILTON C. NORRIS, EDITOR

ANDOVER, N. Y., Feb. 14, 1894.

Snyder-Pease.

One of the pleasantest events of the season occurred on Wednesday evening, Feb. 7, at the home of Mr. and Mrs. Henry Snyder, residing in the north eastern portion of this town. The occasion was the marriage of their daughter, Miss Louise, to Mr. William E. Pease. The families of both parties were well represented in attendance and a large number of neighbors and friends was also present.

At 8:15 the wedding march was played by Miss Hattie Mead, and the bridal company entered the room. Miss Lizzie Snyder was bridesmaid, and Mr. John Wahl was best man. The bride was attired in pale blue satin, with a profusion of apple roses at the corsage. After the ceremony had been performed and congratulations showered upon the happy couple, the company partook of a most bountiful repast.

Everything seemed to contribute to the pleasure of the occasion. The presents were numerous and appropriate, the entertainment was first class in every respect, and even the weather was propitious in the extreme. Rumor says that some of the younger couples were overturned in the snow drifts in their homeward passage, but, as we have heard of nothing serious resulting from it, we suppose that even that was considered an added pleasure necessarily accompanying the event. May long life, peace and happiness attend the young couple.

The ceremony was performed by Rev. G. M. Janes pastor of the Presbyterian church.

## Saved Her Life.

Mrs. C. J. Woodruff, of Wortham, Texas, saved the life of her child by the use of Ayer's Cherry Pectoral.

"One of my children had Croup. The case was attended by our physician, and was supposed to be well under control. One night I was startled by the child's hard breathing, and on going to it found it struggling. It had nearly ceased to breathe. Realizing that the child's alarming condition had become possible in spite of the medicines given, I resorted to such remedies as would be of no avail. Having part of a bottle of Ayer's Cherry Pectoral in the house, I gave the child three doses, at short intervals, and anxiously waited results. From the moment the Pectoral was given, the child's breathing grew easier, and, in a short time, she was sleeping quietly and breathing naturally. The child is alive and well to-day, and I do not hesitate to say that Ayer's Cherry Pectoral saved her life."
