THE ANDOVER NEWS.

Mr. Lyman Deming is quite seriously ill.

Mrs. Elizabeth Hall visited friends at Alfred Centre last week.

Mr. R. D. Beebe of Spring Mills was in town the first of this week.

Miss Susie Reed of Friendship visited Andover friends during the past week.

Mr. and Mrs. Geo. M. Matteson are visiting friends in Waverly, Owego and Binghamton.

Commander T. N. Boyd attended the State Encampment G. A. R., at Chester last week.

Supervisor Boyd distributed the proceedings of the Board of Supervisors at the first of this week.

Mrs. A. Stetson Sherman of Wellsville has been the guest of Mr. and Mrs. W. B. Bundy for the last few days.

Rev. J. F. Derr of Friendship assisted in the revival meetings at the M. E. Church in this place the latter part of last week.

Miss Cora Earley, who has been visiting friends in Rexville and Greenwood some weeks past, returned here Monday.

Mr. and Mrs. E. A. Sweet and daughter, of Wellsville, have visited Mrs. A. B. Richardson during the past week.

G. B. Herrick went to New York Sunday evening, being called by the serious illness of her mother-in-law, Mrs. Charles Herrick.

Last Friday and Saturday nights were probably the coldest of the season. The mercury went down 23° below zero in some places.

Prof. T. H. Armstrong was in town Wednesday evening, greeting old friends. He attended the school entertainment and pronounced it first-class.

Mr. John Beebe was very ill on Monday and during Monday night. He had a light stroke of paralysis, accompanied by other complications. He is better now.

Mr. Jas. F. Brooks of Hornellsville, was in town yesterday. He has rented Dr. Brainard's house next the school building, and will move to this place the latter part of next month.

Mr. Sillman Davis, who has been ill at the residence of J. W. Richardson in this place since last October, returned to his home in Friendship yesterday. There is no material change in his condition.

A large number of people from Wellsville, Alfred Centre and other places attended the school entertainment last Wednesday evening. So far as we can learn everyone was well pleased.

Mrs. Newton Rhinevault, sister of Mr. H. P. Benton and sister-in-law of Mrs. G. B. Herrick, is visiting her relatives and friends here. She came from Covington, Pa. where her husband recently died.

The postoffice committee for this county met at Cuba yesterday and agreed upon recommends for seven offices in this county. Andover is one, and Postmaster Green's head is liable to drop into the basket almost any day.

Mr. B. C. Cole will soon remove to Stannard's Corners, where he will engage in the mercantile business. Mr. and Mrs. Cole's many friends in Andover will regret their departure, but all join in wishing them success in their new home.

Mrs. F. E. Comstock, after a rest of about six months, during which time she has been constantly in bed by order of a noted specialist, is again able to be out. Her health is improved, and it is the universal wish that the improvement may steadily continue.

Prangen Brothers have done a great business in ice during the recent cold weather. Besides filling their ice house here, they have shipped 241 cars, the most of which was cut for the Erie railway company. Last Friday they cut and loaded 48 cars, or about 1,000 tons of ice.

Evangelist Hathaway will probably remain in Andover next week. The revival services are drawing great crowds of people. One hundred and twenty-five persons have been forward to the altar, and probably fifty others have shown a desire to become Christians. Great interest is manifest, and those in attendance include people from all the surrounding country, as well as villagers.

The school entertainment last Wednesday evening was in every way successful beyond anybody's expectations. Each one who took part carried out his or her part of the program admirably, and each selection was warmly applauded. Great credit is due not only to the actors but to Prof. Brown and his able assistants who had the matter in charge. The attendance, also, was larger than had been hoped for, the total receipts being about \$123, and after paying expenses there will be at least \$100 toward paying for the piano.
