Our Special Sale is over. It was the largest one we have ever had. Now for some more hard work, taking account of stock. That done, off we start for the city after new Spring Goods.

However, we are opening some large invoices of Wash Goods, Spring Flannels, Ladies' Jackets and Capes, Ingrain and Tapestry Carpets, all of which were bought early in the year and which have been held back until now.

Our new trimmer, Miss Clara Lambert, is now in New York buying our Spring Stock of Millinery.

## THE ANDOVER NEWS.

Corporation election will occur on March 20th.

E. W. Chamberlain has been appointed postmaster at Belmont, and T. M. Davis at Alfred Centre.

The celebrated Retsel hats just arrived this week. Latest styles in derby, tourist's hats and caps form New York city, for sale at Ross' one price cheap cash store.

The editor of the News was called to Angeha Thursday evening by the serious illness of his father, who has been ill for about a week, and whose recovery is very doubtful.

The towns known at the time of going to press to have voted license are: Bolivar, Wellsville, Almond; no license—Andover, Alma, Independence, Amity, Seio, Wirt, Friendship, Cuba, Willing, Alfred.

Evangelist J. H. Hathaway closed his labors here Wednesday evening. It is safe to say this place has never experienced a religious revival equal to the one just closed. Over 200 persons went forward to the altar and expressed a determination to lead a Christian life. Mr. Hathaway has done a grand work for Andover, and is a power for good wherever he goes.

The News office has been moved to rooms in the rear of the postoffice. Just now we are in the midst of what may be called a "terrible muddle," and it is no easy undertaking to get out a paper this week. However, we hope to be in a better shape before long. The entrance to the office is through the hall between the office and W. D. Lammie's store.

Lots for Sale.—One on Greenwood street, another on corner of Main and Dyke streets, in this village. Enquire of E. Donnelly.

Clinton E. Hann of Andover says he has taken Linn's Asthma and Cough Remedy for asthma and a cough, and has been greatly benefited, and can recommend it. Try it. Sold by Comstock & Benedict, Andover, and W. E. Coston, Greenwood.

People with delicate stomachs find Ayer's Sarsaparilla agreeable to the taste, and, therefore, prefer it as a blood purifier to any other. This is one reason for its great popularity as a spring and family medicine. Safe, certain, and palatable.

"I've tried all sorts of blood-purifiers," said an old lady to a "cutter," and you can't persuade me that any other Sarsaparilla is as good as Ayer's." There's where she had him. She knew that Ayer's was the best—and so did he, but it paid him better to sell a cheaper brand.

The Chautauqua circle will meet with Mrs. J. C. Green next Monday evening. The program will be as follows: Song, No. 9; quotations on architecture; three facts from the week's reading in the *Chautauquan*; the usual number of questions and answers in the *Chautauquan*; reading from the life of Joan D'Arc, by Mrs. J. C. Ross.

The annual village statement is published this week. We desire to state, for the benefit of the public, and in justice to Mr. Abram Slocum, street commissioner for two years past, that the amounts appearing in the statement as having been paid to him, may create a wrong impression unless explanation is made. In nearly every bill presented by Mr. Slocum, were items covering material purchased or money paid out of his own pocket for work done. The actual amount paid Mr. Slocum for his services is very much less than the amount that has been paid to him as street commissioner. He has been a competent official, and the village has been fortunate in securing his services.

Regents' examination will occur March 12 16. The following is the program: Monday a. m.—Advanced arithmetic, advanced drawing; p. m.—Advanced English. Tuesday a. m.—Rhetoric, arithmetic, ethics; p. m.—Physical geography, geography, civics. Wednesday a. m.—Elementary English, algebra, plane geometry, drawing; p. m.—Spelling, English composition, physiology and hygiene. Thursday a. m.—German 1st year, trigonometry, U. S. history; p. m.—Latin 1st year, Cæsar, physics, English history, bookkeeping. Friday a. m.—N. Y. history, reading; p. m.—English reading course I.

The undersigned wish to thank their friends and neighbors who so kindly rendered assistance during the illness and after the death of the late John Beebe. Town Meeting.

The town meeting in Andover resulted in a victory for the full Republican ticket. The town also went against license by nine majority. The contest over excise commissioner was fiercely waged, and the small majority indicates how closely the lines were drawn. This place is now sure of no license for two years to come.

From Sire to Son.

As a Family medicine Bacon's Celery King for the nerves passes from sire to son as a legacy. If you have kidney, liver or blood disorder, do not delay but get a sample package of this remedy at once. If you have indigestion, constipation, headache, rheumatism, etc., this grand specific will cure you. L. A. Burrows, Andover, the leading druggist, is the only one who has this remedy in stock. Sample packages 25 cents.

A Good Recommendation.

La Fayette, Ind.—A Mrs. Jaa. Fay living near this city claims to have been cured by the use of Simmons Liver Regulator after five or six of the best physicians had pronounced the case hopeless.—Albert A. Wells.
