

THE ANDOVER NEWS

ONE DOLLAR A YEAR.

HAMILTON C. NORRIS, EDITOR

ANDOVER, N. Y., Mar. 28 1891.

Some of the New York political bosses are partial to striped suits this spring.

Every member of the U. S. Senate is old enough to know the danger of monkeying with whiskey.

The making of a tariff bill seems to be a sort of X X X X bonanza for the professional lobbyists at Washington.

The London anarchists are more noisy than their Parisian prototypes, and, probably for that very reason, are regarded as less dangerous.

Speaker Crisp seems bound to have a "quorum hunt" occasionally, which proves the truth of the saying that men are but overgrown children, whether in Congress or else where.

Hypnotism isn't popular with German courts, one of which has just sentenced three professors of hypnotic healing to prison as quacks. The judges were evidently not susceptible to the hypnotic influence of the prisoners.

There is more danger to be apprehended from moral lepers, of the Breckinridge type, than from those suffering with the loathsome Asiatic disease. And the time will doubtless come when the former will be treated just as the latter are now—separated from healthy people.

Lord Roseberry, the new English premier, may not be so great as Gladstone, but he is no slouch as a word juggler, as may be seen by this extract from one of his recent speeches. "We do not purpose to sit on the banks of the stream of time and watch the stream pass by until it runs dry." That was clever enough to have been said by an American.

There is no such thing as "next senate," and so long as the constitution lasts there never will be. The senate of the United States is an eternal body. It never dies. It is today exactly the same assembly which met for the first time in 1789. Every second year it undergoes a change of membership, the terms of one class of members expiring. But that change neither ends the old body nor makes a new one.

A good sign of the times is the practical interest that patriotism is exciting. Patriotic societies of men and women, recalling the colonial and revolutionary times, are formed all over the country, and of late there is evidenced a disposition to gather in a tangible form the unwritten history of the country, to mark historic sites, and erect tributes to the national heroes and martyrs. With all this has naturally come a deep interest in the study of American history that is extending to the schools and rapidly permeating the minds of the growing generation. No healthier sign of national vitality and progress could exist, and it should be heartily encouraged, publicly and privately, wherever shown.

For Charity's Sake.

An entertainment under the auspices of the Kings Daughters, for the benefit of the needy in Wellsville, is to be given in the theatre at that place, on a date soon to be named. An elaborate program is being arranged by the ladies in charge, consisting of music, tableaux, recitations, drills, etc. The best of home talent, as well as talent from abroad, has been secured, and the entertainment promises to be unusually attractive. The Kings Daughters have done much to ameliorate the condition of the unfortunate in Wellsville, and this effort to replenish a depleted treasury should meet with a hearty response. We feel assured the people will give the Kings Daughters a crowded house.

The Buffalo Morning Express has lately expended some \$50,000 in improving its mechanical facilities. It now consists of 10 or more pages every day. The Express is one of the few papers in this state which has been able to get full franchises in the Associated Press, the leading news-gathering organization of the world.

"What's in a name?" Well, that depends. For instance, the name of "Ayer" is sufficient guarantee that Ayer's Sarsaparilla is a genuine, scientific blood purifier, and not a sham, like so much that goes by the name of "sarsaparilla." Ayer's Sarsaparilla is the standard.

Karl's Clover Root will purify your blood, clear your complexion, regulate your bowels and make your head clear as a bell. 25c, 50c and \$1. Sold by T. A. Burrows.

The trouble with most cough medicines is that they spoil the appetite, weaken digestion, and create bile. Ayer's Cherry Pectoral, on the contrary, while it gives immediate relief, assists rather than impairs the assimilative process.

Shiloh's Cure, the great cough and croup cure is in great demand. Pocket size contains 22 doses only 25c. Children love it. Sold by L. A. Burrows.

On Thursday, April 5th, the Erie lines will run their Annual Early Spring Excursion to Buffalo. The low rates will admit of everybody participating, and for amusement, recreation or business the opportunity is a splendid one. Tickets good to go and return on special train April 5th and to return on the morning, regular train, April 6th. Train will leave Andover at 6:40 a. m. Round trip only \$2.00.

Good News.

No other medicine in the world was ever given such a test of its curative qualities as Otto's Cure. Thousands of bottles of this great German remedy are being distributed FREE OF CHARGE, by druggists in this country, to those afflicted with consumption, asthma, croup, severe coughs, pneumonia and all throat and lung diseases, giving the people proof that Otto's Cure will cure them, and that it is the grandest triumph of medical science. Sold only by L. A. Burrows, Andover. Samples free. Large bottles 25 and 50 cents.

Don't Forget.

L. C. Bentley has mortar on hand for all kinds of mason work, and is prepared to do all kinds of work in that line. Job work at reasonable prices. Also, village lots for sale, half acre in lot. Call on L. C. Bentley, Andover.

Attention, Farmers!

Farmers, spray your trees and get more fruit, larger fruit, better color, better flavor, better prices. I can furnish the "Wonder Spray Pump" at reasonable prices. A book, "The Insect Foes and how to Exterminate Them," with every pump. Give me a call. URIAH DAVIS.

F. E. COMSTOCK, M. D.
Will fit glasses by Jackson's method, which is the latest and only accurate method. All glasses warranted. Also having obtained the right for Andover, I am prepared to extract teeth painlessly with Perfecto, the latest, safest and best local anaesthetic.

The Golden Secret of Long Life.

Keep the head cool, the feet warm and the bowels open. Bacon's Celery King for the Nerves is a vegetable preparation and acts as a natural laxative, and is the greatest remedy ever discovered for the cure of dyspepsia, liver complaint, and all blood, liver and kidney diseases. Dr. A. Burrows, sole agent, has got a special package from Large sized bottles 50 cents.

A Bright Lad,

Ten years of age, but who declines to give his name to the public, makes this authorized, confidential statement to us:

"When I was one year old, my mamma died of consumption. The doctor said that I, too, would soon die, and all our neighbors thought that, even if I did not die, I would never be able to walk, because I was so weak and puny. A gathering formed and broke under my arm. I hurt my finger and it gathered and threw out pieces of bone. I was sure to become a running sore. I had done me so much good as Ayer's Sarsaparilla. It has made me well and strong."—T. D. M., Norcutt, Kans.

THE ANDOVER NEWS.

"One That Was Lost" Saturday evening.

The ladies' gold watch at Ross' will be drawn this week Saturday evening at 8 o'clock.

The pastor will preach at the M. church next Sunday morning. Subject—"Fools."

The Allegany County Publication Association will meet at Canaserota Friday, April 6. The members will be entertained by Mr. Miller of the Times and his wife.

Easter was appropriately observed by all the churches. Special music, flowers, sermons appropriate to the occasion, and good congregations, helped to make the day's observance complete.

Mr. John Prest is excavating the cellar and unloading brick for his new block on the corner of Main and Elm streets. He will also build a dwelling house in the rear of the block, on Elm street, and has the cellar for the same partly dug.

Mrs. Knibloe, dramatic impersonator, gave two enjoyable entertainments in Andover during the past week—Saturday and Tuesday evenings. She is an artist in her line, and it is to be regretted that a large number of people did not hear her. Her next engagement is for the 1st of April at the M. church.
