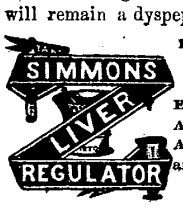
DYSPEPSIA
Is that misery experienced when suddenly made aware that you possess a diabolical arrangement called stomach. No two dyspeptics have the same predominant symptoms, but whatever form dyspepsia takes
The underlying cause is in the LIVER,
and one thing is certain no one will remain a dyspeptic who will



It will correct Acidity of the Stomach, Expel foul gases, Allay Irritation, Assist Digestion and at the same time
Start the Liver working and all bodily ailments will disappear.

"For more than three years I suffered with Dyspepsia in its worst form. I tried several doctors, but they afforded no relief. At last I tried Simmons Liver Regulator, which cured me in a short time. It is a good medicine. I would not be without it."—JAMES A. ROANE, Philad'a, Pa.
"As a general family remedy for Dyspepsia, Torpid Liver, Constipation, etc., I hardly ever use anything else, and have never been disappointed in the effect produced; it seems to be almost a perfect cure for all diseases of the Stomach and Bowels."—W. J. McELROY, Macon, Ga.

Died.

Mrs. John Brink died at her home in this village Sunday night, April 1, 1894, of pneumonia. Her age was 33 years. The funeral was held yesterday and the remains were taken to Almond for burial.

J. M. Younglove died of dropsy at his home in Savoy, Pa., March 19, 1894, aged 79 years. Mr. Younglove was a former resident of Andover, and since his removal to Pennsylvania has visited relatives here more or less frequently, so that he was well known here in later years. His parents were early settlers here. The deceased leaves a brother named George, who lives in California.

Death Of A Little One.

Carrie, daughter of Mr. and Mrs. George Alvord, died at their home in this town this (Wednesday) morning, at about 4 o'clock, of scarlet fever and spinal meningitis. The little one was taken sick a week ago Monday night. The attack was very violent, and the case has been serious from the first. The funeral will be held from the house tomorrow at 11 o'clock a. m. The afflicted parents have the sympathy of many friends in their sad affliction.

You're Not "In It," Neighbor.

In the recent Regent's examination, Clyde L. Rogers passed in ten subjects, aggregating just twenty counts. If there is another case in the state equal to this, let it be revealed.—*Wellsville Reporter.*

It is usually an easy matter for Andover to go a little ahead of other towns, in almost anything. At the Regent's examination held at Andover Union School and Academy last June, Benjamin R. Crandall, son of S. G. Crandall of this town, passed in a sufficient number of subjects to entitle him to a twenty-five count certificate, which document he has in his possession. Call again, we're always at home.

The Hotchkin Sisters.

The hose company has secured the famous Hotchkin Sisters, concert company and bell ringers, who will give an entertainment at Prest's opera house in this village, Thursday evening, April 12, for the benefit of the above named local organization. The Hotchkin Sisters have given entertainments in all parts of the United States and have a reputation for giving a first-class musical entertainment. They are classed among the best performers in their inimitable instrumental, vocal and bell-ringing entertainments. They play upon no less than fourteen different classes of instruments, and their vocal music and whistling are among the features of the entertainment. Don't fail to give the Hose Company a grand benefit on the date referred to. Admission 15, 25 and 35 cents. Tickets at L. A. Burrows' drug store.

House and barn to rent, in this village. Inquire of David Davis.

Ladies, send your lace curtains to Wellsville steam laundry, where all work is guaranteed. Earl Leach, Agt.

Spray? Of course we must, if we raise any fruit. But why pay $6 for a spray pump when C. A. Robinson can sell you one for $2.50, or a better one for $3.75 that will do more and better work? Look at his samples. tf

For Lone Star smoking tobacco, call on Beebe, Williams & Co.

"Beauty" may be "only skin deep;" but the secret of the beautiful skin is pure blood. Those coarse, rough, pimply complexions may, in most cases, be rendered soft, smooth and fair by the persevering and systematic use of Ayer's Sarsaparilla.

Centennial Celebration in Allegany.

The suggestion of John S. Minard, of Hume, president of the Allegany County Historical Society, that a centennial celebration of the first settlement of this county should be held in the spring of 1895, meets with the unanimous co-operative approval of public-spirited citizens from all sections of the county, and arrangements are being made to make the occasion memorable. The pioneer settler, Nathaniel Dyke, was an exceptionally prominent man. He was a native of Connecticut, a graduate of Yale college, and served in the Revolutionary war on the staff of Gen. Joseph Warren, of Boston, and afterwards on Gen. Washington's staff. He bought a tract of land near the centre of the present town of Wellsville, then Scio, Genesee county, and settled thereon in the spring of 1795. The stream that runs through it is still known as Dyke's creek.

The monotony of oil affairs in Richburg, Bolivar and nearby towns has been broken up by a ripple of excitement superinduced by a scheme to drill oil wells deeper with a view to striking fresh sand. Some of the most prominent producers are in the scheme. A paper has been circulated to secure sufficient funds to drill an oil hole deeper by 1,000 feet. This will settle the vexed question, "Is there a deeper sand?" The exploration is being made for general results, although oil is the main incentive. As now proposed the test well will be made on the Hardison & Streeter lease, Frazier farm, near Henry's Switch, and three miles south of Bolivar. Work will be started as soon as the cash is forthcoming. Should oil or gas be found in paying quantities in the lower strata it would almost revolutionize the oil business of the Allegany field.

Officer E. A. Childs of Wellsville, who shot and wounded Dave Mulby while resisting arrest recently, was arrested, charged with assault in the first degree. The case was adjourned till April 2d, the prisoner being placed under bonds of $2,000. Messrs. John McEwen, E. C. Bradley and R. A. Wells are the bondsmen. Charles A. Dolson of Hornellsville is attorney for the plaintiff, and Messrs. Church & Church of Wellsville appeared for the prisoner. Mulby, the man who was shot, is on the way to recovery. The examination has again been postponed to Thursday of this week.

A dispatch Saturday from Dolgeville, Herkimer county, N. Y., says: Fritz Kloetzler murdered his wife and four children at his home here last night and then committed suicide. He was formerly employed in the felt shoe shop of Alfred Dodge & Son. He was one of the leaders of the band of 20 Socialists here. For several weeks he had been out of work, and his family had been supported by the town the past few days. He had been selling off the furniture, piece by piece, until only a few chairs and a little bedding remained. From circumstances surrounding the case, Kloetzler had apparently been contemplating the tragedy for several days.
