Cards of thanks to be charged \$1.00. Obituary notices, except such as are published as a matter of news, and lists of wedding parties to be charged for at not less than 50 cents per line.

## Some of Andover's Advantages.

The churches.  
A Union School and Academy that is not excelled by any school of its class as an institution of learning.  
A newspaper that prints the news and what it can to advertise the town and enterprises, and also believes in doing what it can to increase those advantages.  
An incorporated village, whose affairs are conducted on business principles, giving the residents the best administration of village affairs and a low rate of taxation.  
Pleasant residences, pleasant, shaded streets, good sidewalks, all contributing to make this one of the most desirable places of residence that can be found.  
An abundant supply of natural gas for cooking and lights, the convenience of which cannot be overestimated.  
A perfect system of water works, insuring complete protection from fire and an unlimited quantity of the purest of spring water for domestic use.

Dr. Sweeney, U. S. A., San Francisco, Cal. says: "Shiloh's Catarrh Remedy is the first medicine I have ever used that would do me any good." Sold by L. A. Burrows.

The voters of Friendship last week Tuesday decided not to incorporate. The majority against the project was seven. That's where Friendship missed it.

The Ladies' Aid Society of the M. E. Church will serve ice cream and strawberries at the church parlors Wednesday evening, May 16. Don't fail to be there.

Mr. James A. O'Leary passed around the cigars on Monday. The reason is that a young lady appeared at his home last Saturday night and will soon call him "papa."

One of Mrs. Trainer's hens the other day laid an egg which weighed four ounces, and this morning Mrs. L. W. Brundage sent us a hen's egg which weighs five ounces.

Postmaster J. E. Cannon will move the postoffice to the building occupied by Cannon & Sons' store. The north end people will now have to walk a little farther to get their mail.

Mrs. Mary Robbins, sister of Mrs. G. B. Herrick, and her daughter Mary, who have spent the past several weeks in Andover, left yesterday for Covington, Pa., where they will visit relatives.

We understand there is a grocer in Hornellsville who sells soap, every tenth cake of which contains in its center a gold dollar, and that the citizens of that place are in consequence getting to look tolerably clean.

The Epworth League Anniversary services at the M. E. Church will be postponed one week, owing to the failure to receive programs as ordered. There will be preaching morning and evening by the Pastor. Subject, morning—The Divine Discipline of Life. Evening—The Evil of Instability.

Chas. Ricker, D. D. G. M. for the 23d Masonic District of this State, visited Andover Lodge No. 558 F. & A. M., on Monday evening. He was accompanied by County Clerk Green. The large number of members present passed an enjoyable evening, and also made the acquaintance of the genial County Treasurer.

The Angelica Every Week contained last week an interesting article regarding the county poor farm and buildings at that place. The paper also issued as a supplement a handsome picture of the buildings. The readers of that paper doubtless appreciate its enterprise.

Mr. W. B. Coats has decided not to rebuild his furniture manufactory, which was recently burned at Wellsville. He will sell his stock of lumber and other equipments saved from the fire. Only about \$1,800 could be raised in Wellsville to assist him in rebuilding. Mr. Coats could, if he wished, build several factories without help from anyone, but his business was worth much more to the people of Wellsville than the small amount subscribed.

Mr. D. M. Metzger of Elmira will soon remove to this village of natural and acquired advantages. Mrs. Metzger is a daughter of Mrs. F. F. Hunt, and will build a new house on the corner of Church st. and Pleasant avenue. Mr. Geo. Alvord of this place has been allowed a claim of \$25 presented to the Great Camp K. O. T. M. of this state on account of the death of his child, which occurred recently. This is a feature of the Macabees' benefits which does not exist in many orders, and which must be duly appreciated by those who join this branch of the K. O. T. M.

Mrs. William Mulhall and three children, of Rock Valley, Iowa, are visiting at the home of Mrs. Mulhall's parents, Mr. and Mrs. John Pardon. They expect to remain until the latter part of June, and when they return home will be accompanied by Miss Agnes Pardon, sister of Mrs. Mulhall, who will hold a position as stenographer and typewriter in the Farmers' Bank at Rock Valley, in which Mr. Mulhall is prominently interested.

As our readers are doubtless aware Judge Hamilton Ward has promised to deliver the Decoration Day address in this place this year. It would be difficult to secure a speaker more competent to fill the bill upon this occasion, and it behooves those interested to see that other features of the day shall be in keeping with the splendid address that will be delivered. To do this will require a certain sum of money to pay hall rent and other expenses which must be incurred. Seaman Post G. A. R., and the auxiliary organizations should not be compelled to bear the whole burden, and although no request has been made from them for assistance, there is no doubt that the observance of the day will be much more complete and satisfactory if an amount is raised by business men and citizens to help defray the expenses. It is probable that the people will have an opportunity to subscribe such amounts as they may see fit for this purpose, and it is hoped the necessary funds may be easily raised. It will take but a small amount from each one to do this. Let us make the observance this year a greater success than ever.
