LADIES' CLOAKS.

We have put the knife in the remainder of our Spring Assortment, and former prices will not be considered. Some great bargains left for the first to come.

A little low priced advice thrown in, as follows:

Do not sell your eggs for 10 cents when you can get 12 for them. Do not pay \$1.00 for flour when you can get a better grade at 80 cents. Do not pay 5 cents or more for Sugar when you can get one pound or one hundred at 4 and 1/2 cents. Do not pay 6 cents for Soda when you can buy the best brands "the Arm and Hammer" included, at 5 cents. Do not pay 10 cents for Raisins when you can buy better ones at 7 cents or 4 lbs. for 25 cents. Do not pay 7 cents for poor Rice when you can get the best Carolina at 5 cents. Do not pay 3 cents for rolled Oats when you can get the best at 4 cents or 7 lbs. for 25 cents.

We might go on in this way for a long time but we have to pay for every word of this advice to you, (although I charge you nothing,) so will give you a chance to call on me and we show what we advise is not.

Our wonderful sales during the past few weeks indicate that the people like this business as well as we do, and we propose "Grant fashion" to keep it up all Summer. Bring your Four Horse teams, with your Wagons to match. We have the goods to sell you, and more coming.

Hoping that the rain is over and that we may see you soon, I am

Sincerely Yours,

M. BURROWS.

Memorial Day Observance.

In spite of unpropitious weather, the observance of Memorial Day in this place was as great a success as could have been wished for under the most favorable circumstances. At one time it was feared the exercises at the cemetery would have to be omitted and the graves decorated by a committee; but it was finally decided to carry out the program substantially as advertised, which was done, and the different organizations formed in line and marched to the cemetery, accompanied by many citizens. Although there was an almost constant fall of rain, everything passed off in accordance with previous arrangements, except that the school did not join in the march to the cemetery.

At three o'clock p. m. Prest's opera house was filled to its fullest capacity, and many persons were compelled to leave because they could not obtain seats; the available "standing room" was also well utilized.

After prayer by Rev. G. M. Janes, four members of the Woman's Relief Corps, assisted by male bass and tenor voices, rendered the song, "Let Them Rest," after which the G. A. R. Department orders were read by Anjuntant E. R. Carpenter, and the salute to the dead was given by Seaman Post, G. A. R. The Euterpe Club sang "Tenting on the Old Camp Ground," in their well known pleasing manner. Commander T. N. Boyd then introduced Judge Hamilton Ward, who it was expected would deliver one of the best and most appropriate addresses ever heard in Andover on a similar occasion, and we convey but a faint idea of the situation when we say that everybody's expectations were fully realized. The eloquent speech was listened to by the large audience with undivided attention, and the frequent applause indicated that the people were in sympathy with the speaker's sentiments. Mr. Ward holds some very decided opinions regarding not only the duty of the people to the veterans, living and dead, but also respecting the duties of citizens on other questions of importance, and when his sentiments are expressed in words there is no danger of a misunderstanding.

A selection entitled "Decoration Day" by the Euterpe Club, completed the program, and the organizations marched from the hall, Miss Minnie Clair playing an accompaniment upon the piano. Andover patriotism is not of the "dry weather" order, and the News is proud of yesterday's Memorial Day observance.

The Patriotic Concert.

Prest's opera house probably never held a more appreciative audience than that which assembled last evening to witness the entertainment provided by the Alumni Association. This may be due to the fact that seldom is an entertainment given, by home or foreign talent, more worthy of commendation. Andover audiences have been educated to expect much of Andover entertainments, and last evening's feast of good things more than fulfilled public expectations and added one more to the laurels won by our young people.

Our time and space are too limited to enable us to give such a review of the program as we would like to give, but there was one feature of which special mention must be made. This was the singing by the Sappho Quartette of Wellsville, and we can hardly find words with which to express a proper appreciation of the enchanting music made by the members of that organization. With rich voices, wonderfully blended, they render music of a high order—without productions which none but trained musicians can hope to master—with marvelous effect. Truly, they must be heard to be appreciated, and we will hear the echo of their sweet harmony until—well, until we shall listen to them again.

The receipts last evening were over \$80, which sum was well earned by those who provided the entertainment.

Cheap Excursion to Portage Bridge.

The people's annual early summer excursion via Erie Railway to Portage Bridge and Falls will be run on Sunday June 3rd, at rates so low that the hard times need not keep anyone at home. The St. Aloysius Band of Waverly will accompany the party, and will give a grand afternoon concert at Portage Falls Park. Special train will leave Andover at 10:25 a. m. Fare round trip only 75 cents.

An Injunction Served on the Jail Committee.

On Tuesday afternoon an injunction was served on the committee appointed by the Board of Supervisors to superintend the building of a new jail at Belmont, restraining them from proceeding further in the matter until the courts shall have decided as to the legality of the action of the Supervisors. It is probable that the whole matter of the county seat location will now be brought to the front and a final decision rendered by the Court of Appeals, to which Court the litigation will probably be carried.

Arguments on the matter will be heard by Justice Rumsey at Bath on Saturday of this week, and a special session of the Board of Supervisors has been called for Friday at Belmont.

One Thousand Dollars in Cash From One Man TO HELP BUILD UP THIS TOWN.

The Conditions Are Easily Filled—Now Let Something Be Done, By Others Equally Interested, Which Shall Be of Inestimable Value to Andover.

EDITOR NEWS: Having had, for several years, a standing offer of Five Hundred Dollars towards the starting of a fund of sufficient size to induce some large manufacturing interest to locate in our village, and the same having been of no avail, I now wish to amend the offer, and make a subscription of One Thousand Dollars—Cash—the same to be paid within sixty days from this date, provided the sum of \$5,000 in cash shall be procured in that time, the whole amount to be placed in the hands of a competent and responsible committee, the amount raised to be used as an inducement to encourage the building and running of one or more factories that shall give steady employment to at least sixty competent employes.

This offer holds good for sixty days—not six years. Hoping that it may result in the starting of some paying industry that shall give our town and village a business boom that shall benefit all classes alike, I am

Yours for improvement and progress,
A. M. BURROWS.

INDEPENDENCE NEWS.

Almost June, and no gardening done hereabouts to brag of.

It appears that all the towns in the county have voted "wet" this spring.

Miss Laura Updyke, who is employed in the family of her uncle in Greenwood, visited her parents in this place Sunday.

Mr. and Mrs. Efner Potter of West Union were calling on friends in this place Sunday.

On account of so much rain, Mr. J. T. Livermore did not get home from his trip to Belmont till Tuesday of last week.

Rev. Madison Harry preached a Memorial sermon at the church here Sunday evening.

"To be course" the gas well on the farm of Mr. Monroe Mingus is a gusher, judging from a recent exhibition reflected on the horizon, and let no one forget that Independence is "in it"—the gas belt.

Last Seventh Day there were five baptisms of the S. D. B. church, Rev. M. Harry officiating. The candidates were Mr. and Mrs. Elwin Livermore and daughter, Maud, and Messrs. William and Jesse Clark, sons of Mr. and Mrs. H. M. Clark. There was a large crowd present, many of whom were from out of town. GUMPTION.

Although it is not claimed that Ayer's Sarsaparilla cures every ill to which flesh is heir, yet, as a matter of fact, it comes nearer doing this than any other medicine ever compounded. In purifying the blood, it removes the source of nearly all disorders of the human system.

Removal.

We take pleasure in announcing that after this date Park's Sore Ointment will remove all traces of Rheumatism, Kidney trouble or Liver complaint from the system. It is Andover's best.
