 T. F. Wilcox of Cuba visited his son, H. F. Wilcox, last week.
 Miss Fannie Bronson of Ulysses, Pa., is visiting friends in town.

The backbone of the sugar season was broken the first of this week.
 Easter bonnets were more appropriate last Sunday than they were Easter Day. More of them were worn, too.

J. W. Garwood, of Canaseraga, is said to have a cinch on the appointment of Special Excise Agent for Allegany county.—Wellsville Reporter.

Don't forget the International Tea to be served by the gentlemen of the Baptist church next week Wednesday evening, April 22, at Prest's opera house.

The Angelica Republican says: "We are requested by Hon. Fred A. Robbins to state that there is not any foundation for the report that he intends removing to Brooklyn."

It is now about time to "slick up" the front yard, rake up and burn the rubbish, clean out the cellar, throw all your tin cans over into your neighbor's back yard and get ready to have the garden plowed.

The Armstrong bicycle baggage bill has passed both houses of the Legislature and will undoubtedly soon become a law. It compels all railroads in this State to carry bicycles free of charge, the same as baggage.

The McGraw barber bill, allowing barber shops in this State to keep open until 11 a. m. on Sundays, came to a vote in the Assembly last Wednesday evening, and was defeated. It will probably come up again.

Wm. W. Pingrey of this place has been chosen principal of the Frewsburg, N. Y., Union School. We do not believe the patrons of that school will have reason to regret the action of their school board in this matter.

Mrs. G. B. Herrick has been very ill with the grip, followed by complications, for two or three weeks past. Last Wednesday evening she was taken considerably worse, but is now much better and her speedy recovery is looked for.

J. L. Williams has purchased the stock of goods in the Wilcox Bargain store, and will remove the same to his place of business. Possession will be given as soon as the inventory is taken, which will be within a day or two.

The rapid melting of the great quantities of snow on the hills and in the woods caused the streams to rise rapidly Sunday, and in some places the banks were overflowed. Water ran to a considerable depth in some of the roads west of this village.

The Erie stock yards in this place are being moved from their present location to a point west of the station, where better facilities for loading can be provided. It also takes the work considerably farther from Main street and the residence portion of the village.

W. B. Clark of this place is seriously ill. He has no particular disease, but his illness seems to be a general breaking down. Mr. Clark is one of the oldest, if not the oldest, resident in town, and his condition is, perhaps, not surprising considering his age. It is hoped he may yet rally and recover a good degree of health.

Rev. E. H. Latimer, D. D., Presiding Elder of Olean District, will conduct the third quarterly meeting in the M. E. church next Sabbath. Love feast will begin promptly at 9:30 a. m., and continue one hour, followed by a sermon and the administration of the Lord's supper. Quarterly conference will be held at 7:30 o'clock.

Last week Wednesday evening Mr. and Mrs. E. Z. Cook entertained a company of friends at their home west of this village. Among those present were Mr. and Mrs. Newell Baker and family, consisting of twelve children, ten boys and two girls. The family are all musicians, the ten boys constituting a brass band, and possessing considerable ability. The violin, guitar and other instruments are also played with much skill by different members of the family. Upon this occasion Mr. Cook's premises, indoors and out, resounded with music, which was much enjoyed by all present. Warm sugar was served to the guests by Mr. and Mrs. Cook and the evening was a pleasurable one.

Mrs. Mourhess is now home from New York with a fine line of millinery. Also a large assortment of goods, shirt waists, etc., etc.

The C. L. S. C. will meet with Mrs. W. H. Phillips April 27. The following will be the programme: roll call, each member of the circle to respond with a selection from a favorite author; two facts, one from Chautauquan, one from the books, or two from the Chautauquan; one fact from Arnold; a test from "Thinking, Feeling, Doing," paper—Localisms and provincialisms in America, by Mrs. F. S. Clark.

The International Supper and Entertainment to be given by the Baptist Society next Wednesday evening, April 22, promises to be both unique and enjoyable. Those in attendance may procure from one table the German dishes, as soup, sauer-kraut, bologna sausage, etc., or they may visit another table and satisfy their appetite with the dainty French dishes; those who prefer the good Yankee victuals may confine their attention to the American table, etc. The entertainment to be given after the supper will also be highly enjoyable. See the bills advertising the affair and don't fail to be there.

The temperance lecture delivered by Mrs. Belle Enos in the M. E. church last Sunday evening was listened to by a very large audience. The other churches abandoned their Sunday evening service in order that all might have an opportunity to hear Mrs. Enos. The subject of her lecture was "To Whom Shall We Go?" The speaker portrayed the evils of intemperance in a forcible and fearless manner, and no one present could have failed to become impressed with her earnestness and ability. She is an attractive speaker, and the effect of her well composed and well delivered speech was all that the most aspiring person could possibly have wished for. Heartly commendation of the effort is heard from all who were fortunate enough to be present. The lecture is one that could be heard with pleasure and profit by the people of any community.

It is not a miracle. It won't cure everything, but it will cure piles. That's what DeWitt's Witch Hazel Salve will do, because it has done it in hundreds of cases. Benedict & Van Noy.
