## THE ANDOVER NEWS.

Office up stairs in Prest's New Brick Block, Main Street.

A SILK SALE.

Beginning Wednesday, May 13th.

The decided changes that have just taken place in the silk market have caused havoc with silk prices. We took advantage of the drop in prices in several instances, and bought some silks at very low prices.

We place these together with a large amount of our present silk stock and propose to make out of them one Big Silk Sale. This means that silks of all kinds, for dresses, for waists, for trimpings, etc., are to be offered at prices that will cause you to open your eyes.

You're doing this just when silks are at their dearable—for everyone is to have a waist or a silk gown this season. The silks are all bright, desirable goods, full of styles and qualities.

You're going to sell silks at a pretty pace during the sale, and you will be a gainer. The sale is to be held on Wednesday, Friday and Saturday, May 14, 15 and 16.

Thousands of samples of silks will be sent during the progress of the sale. Are you INTERESTED IN SILKS, and if so, your time. Silks never were so cheap. They won't be sold at such a price again for a long time to come. Don't mistake the dates.
