Decoration at Whitesville Saturday was well attended, although rather rainy. The address by Professor White was good and so was the music, recitations, etc.

The funeral of U. F. Davis was largely attended on Saturday at his late home. Rev. J. Kenyon officiated. A severe hail storm visited this place Saturday, no damage was done.

Married, by Rev. J. Kenyon, at his home, Sunday, May 31, 1896, Mr. Nicholas Shalley and Miss Elizabeth M. Young, both of Willing.

Mrs. C. F. Potter, who has been ill for some time past, is improving slowly.

Oxygen

Wood won't burn unless air-oxygen-is present. The food taken into the body must be united with oxygen before it can be consumed and give heat to keep the body warm. **Scott's Emulsion of Cod-liver Oil**, with Hypophosphites, is one of the best food-fuels. The cod-liver oil obtains its oxygen from the air and heat is produced. It warms, nourishes, invigorates, gives good blood, and fortifies against the piercing winds of fall and winter. The hypophosphites tone up the nervous system and improve digestion. **Scott's Emulsion prevents** colds, coughs, consumption and general debility.

SCOTT'S EMULSION has been endorsed by the medical profession for twenty years. (Ask your doctor.) This is because it is always palatable—always uniform—always contains the purest Norwegian Cod-liver Oil and Hypophosphites. Put up in 50 cent and \$1.00 sizes. The small size may be enough to cure your cough or help your baby.

A SUCCESSFUL BUFFALO JOURNALIST.

NORMAN E. MACK,
Editor and Proprietor of The Buffalo Evening Times.

The recent success of Buffalo journalism has placed this profession and his newspaper, THE TIMES, in the very front rank, with rapid and startling strides. Commencing with a small 4-page newspaper THE TIMES has grown, column by column, and page by page, until it is no unusual thing for the Evening TIMES to appear with 12 complete pages of eight columns each, a 16-column newspaper for one cent, fully illustrated, equal in every respect to the New York and Chicago newspapers, while the regular issue of the Sunday TIMES consists of 24 pages.

Since 1884 THE TIMES has been the acknowledged leading Democratic newspaper of Buffalo, and is now the only afternoon Democratic newspaper in Western New York.

Its increase in circulation has also been phenomenal. One of its recent extraordinary achievements having been the sale on one single day, Thursday May 21st, of over 75,000 complete 12-page copies of the Evening TIMES. This was in a measure due to the fact that the press facilities of THE TIMES are equal to all emergencies, and can readily print 100,000 copies daily of an 8, 10, or 12-page newspaper.

THE TIMES has always been known for its unwavering loyalty to the Democratic cause which Mr. Mack believes

in emphatically as the cause of the people. He has been chosen a delegate of his party to various State and local conventions, and was a delegate to the last Democratic National Convention. He was appointed the representative of the Empire State on the committee to notify Mr. Cleveland of his nomination in 1892, and was chairman of the committee on arrangements. For two terms he represented his Congressional District on the Democratic State Committee, declining a third term. Mr. Mack has always been active and zealous in political affairs, and has been an indefatigable worker for unity in the Democratic ranks, and to that end THE TIMES has been one of the most efficient agents in the State. He is a member of the Board of Park Commissioners, and is active also in social life. He is a member of the Buffalo Club and of the Orpheus and Liedertafel organizations, the Press Club, and other societies. He was for years a member of the executive committee of the State Associated Press. He has always been foremost in advancing the interests of the city, and it is well and widely known as a champion of the masses.

He was also instrumental in securing free music for the people, and the band concerts in the parks are the results of his efforts.
