Commencement Exercises.

Commencement exercises of Andover Academy will be held at Prest's opera house next Wednesday at 10 o'clock a. m. The public is invited. Invitations have been issued to parents of students to attend the school exercises, which will be held at the school building next Tuesday. These exercises will vary somewhat from the usual order. There will be class work, and parents will also have an opportunity to inspect some of the work done by students during the past year.

Alumni Banquet.

The annual banquet of the Alumni Association will be held at Prest's opera house next Wednesday evening, and will be as enjoyable as these entertainments always are. Merriman's orchestra will furnish the music, and all who have listened to them will know that it will be delightful. The menu will be elaborate, and the speeches will be full of wit, wisdom, sense and nonsense. Plenty of time will be allowed for informal visiting and social chat, and a few hours of the merriest kind of recreation is in store for all who attend.

May Carter Jackson.

The children of Mrs. May Jackson, who was killed either by herself or her husband at Dunellen, N. J., a few days ago, are now at Alfred with their grandmother. It was intended to bring Mrs. Jackson's remains to Alfred for burial, but the authorities refused to allow this, and they were placed in a vault in Plainfield, N. J., to await legal proceedings.

Later—Mr. Jackson, who was charged with the murder of his wife, has been released from jail. The remains of Mrs. Jackson were today brought to Alfred for burial.

An Unfortunate Accident.

Mrs. C. F. Davis met with quite a serious accident on Monday. In company with her nephew, Charles Davis, she was riding toward this village. As they were descending the Baham hill some part of the harness broke, the horses started to run, and Mrs. Davis was thrown to the ground. She struck on her back and sustained a severe shock. She also received a cut on one arm, and other lesser injuries. She was attended by Dr. Stambro, and is now doing as well as possible under the circumstances. Charles Davis was somewhat shaken up but received no serious injury.

Children's Day Observance.

Children's Day was observed at the three protestant churches last Sunday—at the Presbyterian and Methodist in the morning and at the Baptist in the evening. At each place the exercises were highly pleasing. The churches were handsomely decorated with flowers and the music was appropriate. At the Methodist church the exercises were jointly in honor of Children's Day and Flag Day—last Sunday having been the 119th anniversary of the adoption of the stars and stripes as the American flag. In addition to the usual array of flowers the decorations consisted of a liberal display of flags and bunting, and the American flag and the Banner of the Cross were displayed conspicuously side by side. The recitations and songs were appropriate both for Children's Day and Flag Day, and the promoters of the enterprise made a happy hit when they decided to celebrate the two events jointly. Their plans were admirably carried out by those who participated, and the services throughout were most enjoyable and instructive.

\$100 REWARD

is offered for a case of Blood, Nerve, Liver, Skin and Kidney disease that can not be cured by the proper use of Dr. Custer's Extract of Sarsaparilla, Celery, Stillingia, Dandelion, Mandrake, etc. This great medicine cures and prevents disease by removing the cause, and by strengthening the blood which becomes foul and weak through failure of the Liver and Kidneys to do their duty. This medicine has greater merit than any other preparation and is endorsed by prominent physicians, and thousands of people who have testified to miraculous cures of the most troublesome and obstinate nature that owe their origin to impure blood. The above offer is made in good faith, and the excellence of the medicine justifies manufacturers in making it and the people in giving it a proper trial. 125 doses per bottle. Regular dollar size bottles for \$5.00, or 5 for \$23 for a limited time only. To quickly introduce it. For sale by L. A. Burrows, Druggist.

The Sermon to Firemen.

The M. E. church was well filled last Sunday evening by people who went to hear Rev. W. B. Wagoner's sermon to firemen. The Citizens' Hose Company attended in a body and occupied prominent seats in the front of the church. The decorations that had been used in the morning for the observance of Children's Day were left for the evening service. The meeting was opened and closed by the use of the Chautauqua vesper service. Rev. Mr. Wagoner preached a sermon full of interest and instruction for all present. He briefly reviewed the history of fire fighting organizations from ancient times down to the present. He also complimented the Andover firemen upon the record they have made, and commended their action in many particulars. In closing he drew a moral by a comparison of fire with sin, and urged his hearers to put forth equally strong efforts to check the latter as the former. The members of the Citizens' Hose, and all present, were highly pleased with the able discourse, and the Rev. gentleman received the hearty thanks of all for his kindness in devoting the service to the firemen's interest.

Alfred University's 60th Anniversary.

Next week marks the sixtieth anniversary of Alfred University. This birthday is to be fittingly observed. President Davis has merited the many prophecies that he would be the man for the responsible position. The past year has been a very prosperous one under his able management, and the prospects for the future are very bright. The anniversary exercises commence Saturday morning, June 20th, with a sermon before the Christian Association, by Rev. O. P. Gifford, of Buffalo. Sunday evening occurs the Baccalaureate sermon by the President. These are followed by the literary sessions, Monday and Tuesday. Tuesday evening is the annual concert. Wednesday is occupied by the Alumni Association, closing with the banquet in the evening, at which many prominent alumni will respond to toasts. The graduation exercises will be held Thursday morning, followed by field sports in the afternoon, and the class exercises and the President's reception in the evening.

L. E. Wiles, Dentist.

Will be at the residence of S. P. Robinson in this village, three days beginning Monday, June 22th, for the purpose of doing all kinds of dental work.

To Whom It May Concern.

I have left as my successor in Andover, Dr. C. Oakley Sayres late of Rushford, N. Y. The Doctor will occupy my office and late residence. Dr. Sayres finished his education at Genesee, N. Y., and his medical education at the Buffalo University. He has had four years' experience in the practice of medicine, and during that time has made an enviable reputation in medicine, and as a man. He is one of the corner stones of Allegany county. His departure from Rushford will be regretted by the people of that vicinity. From previous acquaintance with Dr. Sayres, I can recommend him as a physician.

Golden Wedding.

On Monday Mr. and Mrs. D. B. Harrigan, of Whitesville, celebrated their golden wedding. The celebration was not planned in advance by those in whose honor it was held, but all the arrangements were made by neighbors and friends of the elderly couple.

Mr. and Mrs. Harrigan are among the most highly respected people in Whitesville. They have lived there ever since their marriage. Mr. Harrigan was formerly in comfortable circumstances financially, but a reversal of fortune has left him in his old age without the competence he once possessed, and which he lost through no fault of his own. But the people of Whitesville, like those of many another town, don't count riches as the sum total of all that is desirable in this world, and therefore it is that Mr. and Mrs. Harrigan have just as many friends as they could have if they owned half the town. Perhaps they have more.

Monday morning this worthy couple received an invitation to take dinner with a neighbor. At the appointed time the neighbor drove after them. After they were seated in the carriage, the gentleman who had tendered the invitation drove straight to the Whitesville public hall, where 106 people, who were in the plot, had assembled to do honor to the "guests" and the occasion. They came not only from Whitesville, but from Spring Mills, Ulysses, Couderport, Andover and other places. The Whitesville band was also on hand to add to the enjoyment.

The surprise was complete, and after the necessary explanations, hand-shaking and congratulations were over, the company settled down to a day of solid enjoyment. Arrangements had been made for refreshments, and a most excellent dinner was served. Music, recitations, etc., followed, and if all present enjoyed themselves as well as those who went from Andover, they would say they had one of the best times within their recollection.

Before the company departed Hon. M. S. Chase of Whitesville, in behalf of those present, presented Mr. and Mrs. Harrigan with a purse of gold money. Its value was \$154.50. This was a substantial token of friendship and esteem given in the right spirit and most worthily bestowed.

Those present from this place were: H. P. Bundy, wife and daughter Roxie, Dr. E. M. Stillman and wife, Mrs. E. S. Bradley, Mrs. P. E. Bundy, Miss Flora Bundy, A. M. Burrows and wife, David Hunt and wife, A. B. Richardson and wife, W. H. Church and wife. Mrs. Julia Dobbins of Wellsville accompanied the party.

Some people are constantly troubled with pimples and boils, especially about the face and neck. The best remedy is a thorough course of Ayer's Sarsaparilla, which expels all humors through the proper channels, and so makes the skin become soft, healthy, and fair.
