because the weather happens to be warm. If you have a weak throat, a slight hacking cough, or some trouble with the bronchial tubes, summer is the best time to get rid of it. If you are losing flesh there is all the more need of attention. Weakness about the chest and thinness should never go together. One greatly increases the danger of the other. Heal the throat, cure the cough, and strengthen the whole system now. Keep taking Scott's Emulsion all summer.

Castoria.

"Castoria is an excellent medicine for children. Mothers have repeatedly told me of its good effect upon their children."

Da. G. C. Osgood,

"Castoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will consider the real interest of their children, and use Castoria instead of the various quack nostrums which are destroying their loved outs, by foreing optum, morphine, soothing syrup and other hurtful agents down their threats, thereby sending them to premature graves.
