

W. C. T. U.

The Woman's Christian Temperance Union of Andover meets the first and third Thursday in each month.

It is encouraging to know that the present commander-in-chief of the British army, Lord Wolseley, holds the views which he thus expressed a year or two ago: "There are yet some battles to be fought, some great enemies to be encountered by the United Kingdom, but the most pressing enemy is drink. It kills more than all our newest weapons of warfare, and not only destroys the body, but the mind and soul also."

The boys and girls of the Minneapolis public schools have lately sent, through Mayor Pratt of that city, seven hundred dollars to the National Armenian Relief Committee, the school board on this occasion setting aside its stringent rule on account of its deep respect for Miss Clara Barton and the work of the Red Cross, and allowing boxes to be placed in each of the schools. The sum was made up in a week's time, most of the money coming in pennies and nickels, and the effort has awakened a warm love and enthusiasm for the Red Cross in those twenty-five or thirty thousand young minds, and has also deepened the love of liberty and sympathy with those in bondage. The example of the teachers and pupils of Minneapolis can be followed in all the schools of the land with great benefit to themselves and incalculable blessing to the tens of thousands of starving and orphaned children in Armenia.

Notice.

Is hereby given, that pursuant to an order of Hon. S. M. Norton, entered in my office this day, a court will be held for the purpose of naturalization of aliens, at the Surrogate's office in the village of Belmont, N. Y., on Saturday the first day of August, 1896, at 10 o'clock a. m. Persons desirous of taking out their final papers, will file their petitions with the Clerk of said court and county, at least fourteen days prior to that date, as provided by Chap. 927, Sec. 3 of the laws of 1893, and attend with two witnesses for identification, etc., as provided by the statutes of the United States.

\$100 REWARD

is offered for a case of Blood, Nerve, Liver, Skin and Kidney disease that can not be cured by the proper use of Dr. Custer's Extract of Sarsaparilla, Celery, Stillingia, Dandelion, Mandrake, etc. This great medicine cures and prevents disease by removing the cause, and by strengthening the blood which becomes foul and weak through failure of the Liver and Kidneys to do their duty. This medicine has greater merit than any other preparation, and is endorsed by prominent physicians, and thousands of people who have testified to miraculous cures of the most troublesome and obstinate nature that owe their origin to impure blood. The above offer is made in good faith, and the excellence of the medicine justifies manufacturers in making it and the people in giving it a proper trial. 125 doses per bottle. Regular dollar size bottles for 65c, or 5 for \$3 for a limited time only, to quickly introduce it. For sale by L. A. Burrows, Druggist.

John B. Martindale.

John B. Martindale, who died on Thursday, July 2d, 1896, was aged 59 years. He was born in Homer, Cortland county, N. Y., and had lived in Andover for the past forty-five years. He was married, March 2d, 1854, to Esther C. Boyd, who survives him, as does also a foster daughter, Nina May. He also leaves two brothers and three sisters: Edwin and Charles Martindale of Saginaw, Mich.; Mrs. Augusta Rathbun of Red Falls, Minn.; Mrs. Elizabeth Patterson of Ithaca, widow of James Patterson; Mrs. J. A. Hunt of Andover. Mr. Martindale had been ill for about five months, gradually growing worse, and at times his suffering was intense.

The funeral services were held at the house Sunday afternoon, Rev. J. Kenyon, of Independence, officiating, assisted by Rev. G. M. James and Rev. W. Brewster of Andover. The burial was conducted by Andover Lodge No. 558, F. & A. M., of which deceased was a member. The attendance at the funeral was very large. The singing by a quartette was especially fine and the floral tributes were profuse and beautiful.

Resolutions.

Adopted by Andover Lodge No. 558, F. & A. M.

WHEREAS, It having pleased Almighty God to remove from earth our respected brother, John B. Martindale, therefore

Resolved, That we tender to his family our sincere sympathy in the affliction that has overtaken them.

Resolved, That as a mark of respect for the memory of our deceased brother, our lodge room be draped in mourning for a period of thirty days.

Resolved, That a copy of these resolutions be presented to the family of our deceased brother, and the same be printed in the ANDOVER NEWS.

J. C. GREENE, A. PORTER, H. C. NORRIS, Committee.

Also to the kind friends who presented an abundance of flowers. Mrs. E. C. MARTINDALE.

Several friends of Rogers Crandall were entertained by him Thursday evening.

Mr. Oscar Remington of Hornellsville made a business trip to this place the first of the week.

The Hornellsville Times of June 30th says: "A full house listened to Mrs. Belle Enos last evening at the South-side Methodist church, and gave her songs, recitations and rather sarcastic allusions to the protection afforded by the government to those who suffer by the evils of the protected liquor traffic the most complete attention. The address is admirable in many ways and is given in an easy, graceful manner. Mrs. Enos resides in Andover and has relatives in this city. The house was beautifully decorated with flowers. At the close of the service, several fine floral offerings and bouquets were presented to Mrs. Enos, and a cordial invitation to give another lecture in the near future."

Estes-Ward.

[Rochester Union and Advertiser, July 1.]

Benjamin G. Estes and Miss Sarah Dell Ward, daughter of Mr. and Mrs. Jerome W. Ward, were united in marriage at high noon yesterday at Glenwood Methodist Church, by Rev. Frank S. Rowland, the pastor of the church.

The church was filled with friends of the young couple. To the strains of the "Lohengrin" march, twenty-four small children, dressed in white and holding chains of white daisies, took up the strains and sang the bridal chorus as they proceeded slowly up the aisle, preceded by Joseph R. Webster, one of the ushers. Arriving at the altar, the children formed inside of the chancel rail, facing the others of the party who had followed—two ushers, Herbert B. Husted and Fahy Galligan; the groom and his best man, Arthur C. Simmons of East Hamilton; the bride's maids, Misses Frances M. Ward, Jennie E. Estes of Andover, sister of the groom, M. Evangeline Wail, Charlotte L. Estes of Freeport, and the bride accompanied by her father.

During the performance of the beautiful marriage ceremony, Misses Zanita Phinney and Emily Wilson played softly Mendelssohn's nocturne from "A Midsummer Night's Dream." The bride wore a short gown of cream broadcloth silk, the bodice trimmed with white satin and chiffon. She carried a bunch of carnations, and wore white roses in her hair. The bridesmaids were gowned two in light organdie, one in white mull and one in light gray Lansdowne, and they carried sweet peas.

The bride is one of the leading musicians of the city, being a brilliant violinist. She is also a soprano singer and a fine educator in both lines. The small children who took part in the ceremony were her Kindergarten pupils. The groom was a Rochester University boy of the class of '95, and is now Principal of the Andover Academy.

A reception was held at the home of the bride's parents, No. 139 Driving Park Avenue, and a wedding breakfast served. Mr. and Mrs. Estes left on an afternoon train for a brief trip, and will make their future home in Andover.

The guests from out of town were: Mrs. J. Husbury, Chicago; Mr. and Mrs. P. V. Hickson, Appleton, N. Y.; Mrs. Marion R. Ward, Mrs. N. R. Kniffin, Miss Belle Kniffin, Mrs. Wheelan, Miss Rhoades, Brockport; Mr. and Mrs. C. H. St. John, Buffalo; Mrs. Estes, Andover, mother of the groom.

If at breakfast you are nervous And can't find your appetite, Here's advice that costs you nothing—Take a cup of "Heart's Delight."

To prevent pale and delicate children lapsing into chronic invalids later in life, they should take Ayer's Sarsaparilla together with plenty of wholesome food and out door exercise. What they need to build up the system is good red blood.

Depression of Spirits

so common in summer-time, accompanied by loss of energy, lack of thought-power, means a deficient supply of nourishment. The vital force is lost. It isn't a question of muscle and sinew, but of resistance and endurance. At any age, but especially in youth, it involves the risk of lung disease. Loss of flesh and a cough are threatening signs.

Scott's Emulsion

of Cod-liver Oil, with the hypophosphites, meets these cases perfectly. It tones up, fattens and strengthens. In Scott's Emulsion the taste of the oil is fully disguised, making it almost as palatable as milk.

It would be hard to convince a man suffering from bilious colic that his agony is due to a microbe with an unpronounceable name. But one dose of DeWitt's Colic and Cholera Cure will convince him of its power to afford instant relief. It kills pain, Benedict & Van Noy.

CASTORIA for Infants and Children.

MOTHERS, Do You Know

that Paregoric, Bateman's Drops, Godfrey's Cordial, many so-called Soothing Syrups, and most remedies for children are composed of opium or morphine?

Do You Know that opium and morphine are stupefying narcotic poisons?

Do You Know that in most countries druggists are not permitted to sell narcotics without labeling them poisons?

Do You Know that you should not permit any medicine to be given your child unless you or your physician know of what it is composed?

Do You Know that Castoria is a purely vegetable preparation, and that a list of its ingredients is published with every bottle?

Do You Know that Castoria is the prescription of the famous Dr. Samuel Fitcher. That it has been in use for nearly thirty years, and that more Castoria is now sold than of all other remedies for children combined?

Do You Know that the Patent Office Department of the United States, and of other countries, have issued exclusive right to Dr. Fitcher and his assigns to use the word "Castoria" and its formula, and that to falsify them is a state prison offense?

Do You Know that one of the reasons for granting this government protection was because Castoria had been proven to be absolutely harmless?

Do You Know that 35 average doses of Castoria are furnished for 35 cents, or one cent a dose?

Do You Know that when possessed of this perfect preparation, your children may be kept well, and that you may have unbroken rest?

Well, these things are worth knowing. They are facts.
