HAMILTON C. NORBIS.

Andover, N. Y., July 15, 1896.

It is said the band at the Chicago convention played Southern and Na tional airs to the proportion of 16 to 1

The mistaken man who believes that happiness can be secured through legislation is again abroad in the land:

The Chicago platform rebukes th Government for interfering with Altgeld's railroad riot, but it neglects to indorse Debs. This is unjust dis crimination.

The Republican State Convention will be held at Saratoga, August 25th The Republican District Convention for the 34th Congress District will be held in Olean, August 28tb.

The so-celled money plank of the Chicago p'a form is repudiction, an othing else can be made of it. A esent one ounce of gold is worth irty ounces of silver. It is the rela otes value fixed by the markets of the world. To arbitrarilly make the ratio 16 to 1 instead of 30 to 1 is for the Government to put 50 cents in so called dollar and loan it or sell i to the people for 100 cents. That is exactly what the free coinage of silver and gold means as we have it in the Chicago plalform, and every deposito in a savings bank, every certificate holder in a building and loan asso ciation, and every widow or other heir who collects money from a life insurance company, and every pen sioner, will be paid in this new Wild West silver dollar. In every case the depositor, the certificate holder and the policy holder will have paid 100 cent dollars into these institutions and will get their return in a so called dollar which is in fact but a half a dollar. This is repudiation i its meanest form, inasmuch as it pre tends to be something else. It needs no prophet to say that the people when they go to the polls in Noven.

ber will repudiate the repudiators. Among the leading Democratic pa pers of the country which will no support the nominees and platform of the Democratic National Conven tion are: The Louisville Courier Journal, the New York World, New York Sun, Brooklyn Eagle, Jerse City News, Chicago Staats Zeitung New York Staats Zeitung, New York Times, New York Herald,, Philadelphia Record, Baltimore News, Balti more Sun, Buffalo Courier, Utica Ob server, Yonkers Gazette, Syracus Courter, Mobile (Ala.) Register, Nev Haven Register, New Haven News Bridgeport Farmer, Minden (Conn. Journal, Hartford Times, Wilming ton (Del.) Journal, Chicago Chroni cle, Louisville Post, Louisville Anzei ger, New Orleans Picayune, Boston Herald, Boston Globe, Detroit Fre Press, St. Paul Globe, Trenton Times Newark News, Manchester (N. H. Union, Chattauooga Times, Nashville Banner, Galveston Times, Austin (Tex.) Statesman, Dallas News, Richmond Times. Many other paper might be added to the above list. but these will give the reader an idea of the revolt by the press of the country against the platform which is defined anarchistic, un-American, revolution ary and destructive. Hundreds of prominent Democrats throughout the country are equally outspoken in denunciation of the platform and ticket. Space forbids mention of more than few but the following indicate t standing of those who are in revolt Hugh J. Graut, Wm. R. Grace, De Lancy Nicoll, Frederick Coudert, Edward Cooper, New York; Horatio C King, Brooklyn; Thomas M. Waller ex-Governor of Connecticut; Ex Lieutenant Governor Nye of Indiana Don M. Dickinson, Michigan.
