7:30 p. m.—This evening will be one of unusual interest. The session will be in the hands of Revs. Carroll, Conrad and Clements, who will each occupy twenty vive minutes of the time. In these three gentlemen Cuba has a trio of as entertaining speakers as one could care to listen to, and the Thursday evening session will be as entertaining as any of the Assembly. His most famous lectures are "Get There and Stay There," "Character and Characters," "Sawciety," "Manhood and Money," "The World as it is and the World as it Ought to be," and "The Battle of Life and How to Win it." His subjects will be chosen from among these.

Music

## Music.

The music for the entire week will be furnished by the well known Harvard Male Quartette. This musical organization has a reputation for excellency that is second to none. During the course of library entertainments in Cubit they gave a concert that was proficuited to be one of the linest musical entertainments ever enjoyed by the musicaloving people of this place. The oper house was crowded to the doors, and the audience was enthusiastic over the singing of the Quartette, and encored every number on the programme.
