

Sick Headache Permanently Cured

"I was troubled, a long time, with sick headache. It was usually accompanied with severe pains in the temples and sickness at the stomach. I tried a great many remedies recommended for this complaint; but it was not until I began taking

AYER'S

Pills that I received anything like permanent benefit. A single box of these pills did the work for me, and I am now a well man." C. H. HUTCHINGS, East Auburn, Me.

Deaths of Independence People.

Died, in the Sanitarium of Hornellsville, N. Y., July 21st, 1896, of an ulcerated stomach, Mary H. Forsyth, daughter of Henry and Carrie Forsyth, aged 31 years. For three years she had been an invalid, nine months confined to her bed and twelve weeks in the sanitarium. Hopes of her recovery were entertained until a short time before her death. Mary was a school teacher until her health failed, and was of a kind and pleasant disposition. The children loved her, and we think none knew her but to love her. In her home she had the best of care by her sister, Mrs. Oscar Potter, and other members of the family. She was brought to Whitesville for her funeral and burial, which occurred Thursday, July 23d, the male quartette of Whitesville rendering inspiring music. A large congregation were present, Eld. W. L. Burdick assisting. She has left a mother, two sisters, one brother and a large circle of other friends.
J. K.

Died, in Independence, N. Y., July 23d, 1896, Essie E. Potter, wife of Charles F. Potter, and daughter of Ford and Elisabeth Bundy, aged 23 years lacking two days. Since January last she has been an invalid, suffering from heart and lung trouble, and as she neared the close her sufferings were severe, but she endured them without a murmur. She quietly arranged her earthly affairs, spoke of her pleasant home and the kindness of her husband, of her hope in Christ, and fell asleep in Jesus, we trust. A lovelier corpse is seldom seen, and if so beautiful in death, what will it be in the life to come? Her funeral was held on Friday, and although the day was stormy, a very large congregation was present, the pastor assisting in the funeral.

Card of Thanks.

When we consider that the intestines are about five times as long as the body, we can realize the intense suffering experienced when they become inflamed. DeWitt's Colic and Cholera Cure induces inflammation at once and completely removes the difficulty. Benedict & Van Noy.
