Keep Up Your Soft's Emulsion

What are your resources for the summer? Have you an abundance of health stowed away for the long, hot, depleting days, or does summer find you low in vitality, run down, losing flesh, and weak? Scott's Emulsion of Cod-liver Oil will give you the proper reserve force, because it builds up the system on a solid foundation. A tonic may stimulate; Scott's Emulsion not only "boosts," it sustains.

It is a wise precaution always to have at least a small bottle of Scott's Emulsion in the house. Unopened, it will keep indefinitely. Tightly corked, after using, kept in a cool place, it will remain sweet for weeks.

A CRY FOR HELP

Result of a Prompt Reply

Two Open Letters that Should Prompt Thousands of American Women to Go and Do Likewise

LITTLE FALLS, Minn., May 11, 1804.

"I am suffering, and need your aid. I have terrible pains in both sides, extending down to the front of my limbs and lower part of my back, attended by backache and pains in the back of the neck and ears. The doctors have given me opiates to quiet the pain. I have a very high fever nearly all the time. I am nervous and cannot stand. My doctor says I must keep in bed. Now Lplace myself under your care. I am only twenty-one years old and too young to suffer so much."

Mrs. Charles Parker.

The above letter from Mrs. Parker was received by Mrs. Pinkham at Lynn, Mass., May 15, and received a prompt reply. The fellowing letter reached Mrs. Pinkham five months later. Note the result:

LITTLE VALLS, Minn., Sept. 21. "I deem it my duty to announce the fact to my fellow sufferers of all female (complaints that Lydia E. Pinkham's treatment and Vege table Compound have entirely cured me of all the pains and suffering Iwas enduring when I wrote her last

May. I followed her advice to the letter, and the result is simply wonderful. May Heaven bless her and the good work she is doing for our sex! If you are sick or in trouble write to Mrs. Pinkham. Her advice invariably brings relief. Your letter will be received, read and answered Mrs. CHARLES PARKER:

by one of our own sex.' Druggists say there is a tremendous demand for Lydia E. Pinkham's Vegetable Compound; and it is doing lots of good, that is the blessed thing about it.
