The Democratic County Convention will be held at Belfast, Sept. 11th.

The G. A. R. National Encampment is in session at St. Paul, Minn., this week.

The first bank within the limits of the United States was chartered in Philadelphia in 1781. It was incorporated by Congress under the title, "The President, Directors and Company of the Bank of North America."

The Prohibitionists, at their State Convention in Syracuse, adopted a platform declaring suppression of the liquor traffic the only issue. Wm. W. Smith of Poughkeepsie was nominated for Governor, and Rev. Chas. H. Latimer for Lieutenant Governor.

Fred Rew, the Cornell student who mysteriously disappeared two years ago, and who was supposed to be dead, has turned up in some foreign port. In a letter to his parents, he says that, "broken down with his preparatory work, and feeling unequal to the strain of examination and continued study, he was irresistibly moved to go away." He had never seen an American newspaper, and knew nothing of the anxiety felt by his friends in his absence. He is on his way home.

### Wedding Bells.

One of the pleasant events of the season was the celebration of the wedding of Mr. E. H. Ketchum of Jamestown, N. Y., and Miss Clara Rice of Wellsville. The ceremony was performed at the residence of Rev. E. A. Rice, father of the bride, on Wednesday, Aug. 28th, at 5 o'clock p. m. The knot was tied by the venerable father, who was assisted by the Rev. Mr. Cowman, pastor of the First M. E. church in Wellsville. We take pleasure in making a note of this happy event from the fact that the contracting parties are so well known in Andover, and the many friends of the bride who made her home in this place during the time her father was pastor of the First M. E. church, will all join in offering their congratulations and best wishes for the future happiness of both the interesting parties. The groom is well known as a highly respected traveling man, who is at present representing the famous house of D. S. Walton & Co., New York city. About thirty five guests were present, and will ever remember the very solemn and impressive ceremony as it was performed by the aged father, after which, the usual congratulations having been offered, the company were served with the good things of this life in great abundance, and with remarkable skill. Too much cannot be said in praise of Miss Gontor and her assistants, who had this part of the service in charge. The gifts were numerous and valuable. The newly-wedded couple left on train 12 for an extended wedding trip, after which they can be found at their home, which is in readiness and waiting them in the city of Jamestown.

The News joins with the numerous friends of both bride and groom in hearty congratulations.

is offered for a case of Blood, Nerve Liver, Skin and Kidney disease that can not be cured by the proper use of Dr. Custer's Extract of Sarsaparilla, Celery, Stillingia, Dandelion, Mandrake, etc. This great medicine cures and prevents disease by removing the cause, and by strengthening the blood which becomes foul and weak through failure of the Liver and Kidneys to do their duty. This medicine has greater merit than any other preparation and is endorsed by prominent physicians, and thousands of people who have testified to miraculous cures of the most troublesome and obstinate nature that owe their origin to impure blood. The above offer is made in good faith, and the excellence of the medicine justifies manufacturers in making it and the people in giving it a proper trial. 125 doses per bottle.
