aid. I have terrible pains in both sides, extending down to the front of my limbs and lower part of my back, attended by backache and pains in the back of the neck and ears. The doctors have given me opiates to quiet the pain. I have a very high fever nearly all the time. I am nervous and cannot stand. My doctor says I must keep in bed. Now-I place myself under your care. I am only twenty-one years old and too young to suffer so much." MRS. CHARLES PARKER

The above letter from Mrs. Parker was received by Mrs. Pinkham at Lynn, Mass., May 15, and received a prompt reply. The following letter reached Mrs. Pinkham five months later. Note the result:

Little Falls, Minn., Sept. 21. "I deem it my duty to announce the fact to my fellow sufferers of all female complaints that Lydia E. Pinkham's treatment and Vegetable Compound have entirely cured me of all the pains and suffering I

was enduring when I wrote her last May. I followed her advice to the letter, and the result is simply wonderful. May Heaven bless her and the good work she is doing for our sex! If you are sick or in trouble write to Mrs. Pinkham. Her advice invariably brings relief. Your letter will be received, read and answered by one of our own sex." MRS. CHARLES PARKER.

Druggists say there is a tremendous demand for Lydia E. Pinkham's Vegetable Compound; and it is doing lots of good, that is the blessed thing about it.
