I notable public career by a brilliant ad-'ministration of the department o Hanna Wants the Senatorship. The very natural and timely desire of M. A. Hanna to go to the senate, may I have much to do with Mr. Sherman's appointment to the cabinet if he accepts the portfolio. Mr. Hanna has been one of Mr. Sherman's most valuable friends. He has done a great deal for him in a political way and Mr. Sherman doubtless feels that he owes his last election to the senate in part to the zeal and support of Mr. Hanna. Their relations have been friendly and close for years. If Mr. Sherman does ' not accept the offer of a cabinet posi-
