which we are putting in this week. A general fitting up in every department.

Having completed our annual inventory, we now invite

We propose to make this the banner year for business in our store. The opening is indeed bright, and trade never better. We have no complaints to make over "poor debts" or "dead beats." Our customers either pay down or when they agree to, which is all any reasonable person can ask.

In the barter deal, which includes everything a farmer wants to exchange for general merchandise, we claim to take the lead—have always flone it, and shall keep it up this year. We have a market for anything marketable, and pay the highest prices always. Bring along your stuff and exchange for goods at
