KILLED NEAR STANARDS.

Michael Clark's Dead Body Found | fect in the brain. In the Greek. From the Wellsville Reporter.

dark and the team of spirited horses with all his acquaintances. which he was driving suddenly plunged off the steep bank into the creek, carrying the wagon and driver over with it. and hurried to rescue the horses. Chas. ings. Tompkins, Geo. Fenton and Chas. Conklin assisted. They found the horses Farmers in want of Lester's Fertilizer uninjured. Lifting the wagon up, they were astonished to find a man's body, for none of them thought the accident was more than that of a runaway team | To the Ladies of Andover and vicinity : without a driver. Astonishment gave place to horror when they identified the lifeless body as that of young Michael Clark, the son of Mrs. Martin Clark, widow living on Beech-Hill.

Coroner Burdick, of Andover, was called and made a careful investigation and found the facts so patent that he

wisely decided that to impanel a jury was unnecessary.
