ant Treasurer of the United States at Baltimore, died Sunday.

States spent \$120,261,086 for coffee, \$270,000,000 for whisky, and \$541,-1 963,348 for beer.

another form accomplished before own flesh and blood.

73 because of abject poverty. Prof. the unfortunate man.

United States Senator. Mr. Debeo has gone to Washington with his credentials and will be on hand at the final passage of the tariff bill.

____ HON FRED A. ROBBINS.

The Baffalo Express, in writing up the records of the Senators and As-, semblymen in the late Legislature of this state, has the following to say o.

"Fred A. Robbins, of Allegany, carried out this year the promise which he had given in past Legislatures developing into an able and fearless fighter. Elected as an independent against the combined power of the Republican and Democratic machines, he came to the Legislature with a splendid opportunity to make a record, which he has improved to such advantage that he is generally recognized not only by outsiders but by the condition of the kidneys. When urine members of the Legislature themselves as the ablest debater and the clearest thinker in either house. Only once during the session just ended has Mr. pain in the back is also convincing proof Robbins abandoned the independent that the kidneys and bladder are out of order. course which he had marked out for himself, and that was when the amendments to the Raines excise law were expressed, that Dr. Kilmer's Swamp-Root,

BENJAMIN S. BRUNDAGE, under consideration. At that time the great kidney remedy, fulfills every wish Mr. Robbins went into caucus with in relieving pain in the back, kidneys, liver, the party majority and voted for the bladder and every part of the urinary pasbill in accordance with the decision of sages. It corrects mability to hold urine and the caucus, declaring at the time that scalding pain in passing it, or bad effect he would always go into caucus on following use of liquor, wine or beer, and party measures and abide by caucus overcomes that unpleasant necessity of being given evidence that he regretted the night to urinate. The mild and the extraormistake he made then, by bolting the dinary effect of Swamp-Root is soon realized. caucus on the civil service bill and at It stands the highest for its wonderful cures

always been raised on the side of right and against the schemes of either the Republican or Democratic machines to subvert principle to political

"Only two of Mr. Robbins's bills became laws during the session, both being bills of minor local importance. trust bills which the special committe appointed to investigate trusts repor blance to the original Robbins bill."
