Gent'emen: I have been ailing for over a year with bladder and kidney trouble. I could get no relief, although I have doctored with the best of doctors. I could hardly stand the pain. At times I have gone home from my work, but being a working man, could not afford to lose a day.

My urine was very dark in color, and when I lay down I could hardly get up. I saw of the wonderful cures DODD'S KIDNEY PILLS had done, and I got one box. After using part of the box I am completely cured, and without losing a day's work. I cannot praise DODD'S KID-NEY PILLS any too much, as I believe had I not taken them, I should soon have had to stop work and look for the worst. believe DODD'S KIDNEY PILLS saved my life and made a new man of me.
