Here is an opportunity for the Board of Trade to come are in Alfred But week. to the front. If Andover needs one thing more than another, that thing is manufactures. There are no better sites for the erection of buildings suitable for manufacturing purposes than this village affords. - Propelling power for machinery is easily obtainedthanks to our gas supply and water works system. Rents for operators-Earnest Smith being thoroughly artisans or laborers-are cheap. A as low prices' in Andover as anywhere facilities are as good as are to be found Office and residence in Benton in any town having but one railway block, opposite the American Hotel line. There are a thousand towns where the advantages offered to manufacturers are not so great as here, where Pa., visited in town last week. a large number of persons are employed in -manufacturing industries. There is no good reason why, with such favorable conditions and surroundings, Andover should not have a considerable body of wage-earners steadily employed. If those of our townsmen who will be benefited by the coming of regularly paid employees to our village, or the augmentation of a force of the resident employed, why should not the members of our local Board of Trade The make an effort to secure such manu- Creek, are visiting at W. W. Van Noy's. Leon of Canisteo, visited at the resifacturing establishments? Let our business men encourage investments in manufactories. It will pay them. Let, them begin by seeing what Mr. Forer wants and what he will do. There can be no harm in finding out place. something about the contemplated John, Robert and Willie Barrett, of business venture.....
