Harvest Home,

The Harvest Home is one of the fixed institutions of Andover, and as the season rolls around, the ladies of the Presbyterian Church are active in the preparation for the event of their annual picuic. People come from far and near to attend this annual feast, and this year many who never attended before were present, and did "not go Belmont on Monday. away dissatisfied." For twenty-one years the church has held its Harvest Home, and each year increased attendance and interest has been manifest. Notwithstanding "hard times" it was a success financially as well as intellec tually, the receipts amounting to over s hundred dollars. It was held on Wednesday of last week, in Maple Grove, where every convenience was had for dinner, ice cream, lemonade, had business in Wellsville Monday. etc., and where a platform was erectedfor the speakers.

After dinner, which was partaken of by hundreds of all denominations, the meeting was called to order by W. H. Phillips, who introduced as first speak | day. er, Rev. W. B. After brief remarks by Rev. Mr. Knox of Belmont, and A. W. on Sunday. Litchard of Rushford, the meeting was adjourned, and the rest of the afternoon was taken up by social intercourse common to such gatherings. All in all, it was a very pleasant occa-
