NEGLECT IS SUICIDE

Dunmore, That Ought to Bring Suffering

If you were drowning and friendly hands shoved a plank to you, and you refused it, you would be committing suicide! Yet that is precisely what women are doing if they go about their homes ' simost dead with misery, yet refuse to grasp the kindly hand held out to them! It is suicidal to go day after day with that dull, comstant pain in the region of the womb and that bloating heat and tenderness of the abdomen. which make the weight of your clothes an almost intolerable burden to you. It is pro-
