ONE DOLLAR PER YEAR

Che Andover News from new until January 1, 1899, to new Subscribers only, for \$1.00, to be paid Strictly in Advance.

CLAIMED FOR YEARS that Andover was the town, now we know it. When you can put down a natural gas well in your door yard, and have the use of the finest system of water works in the state, at so small a cost, Andover must be the place in which to live; but that is not all. A glance at the price list below will convince you at once that this is the town in which to buy your goods also, and that the store that can show the largest supply and the best assortment is the one to patronize. With seven distinct departments, crowded full of goods, we are ready to meet you with plenty of room and clerks enough to serve you. Study carefully the price list below and compare it with any you ever saw in this city, or any other between Olean and Elmira; then improve your opportunity and call for your fall supply.
