Of Furniture in Wellsville, Lasting 'Till Dec. 18th

neet like tilke ti

I have over 1000 feet of floor space besides a commodious store room. Every foot of this floor is packed as full as possible leaving hardly room enough to show goods.

We have made a sweeping out in prices and invite you to look the stock over. Remember that we have everything that belongs to the Furniture trade from the cheapest common chairs and beds to the finest chamber suite or parlor furniture, office desk, ladies desks, combination cases, chiffoners, hall stands, couches, lounges, dining chairs and tables. Come and look the stock over at the old stand established by W. H. Coats in 1838.

COATS BROS., WELLSVILLE, N.Y.

Harness, Blankets, Robes, Whips, Collars, Horse Clothing, or anything in the Horse Furnishing Goods Line. Our prices are always as low as the lowest. You will save money to examine goods and get prices before purchasing.

Repairing neatly and promptly done. Satisfaction guaranteed.

Stand by the Firemen.

The Allegany County Firemen's As-Wednesday evening, Dec. 8th, a ing year, at the regular communication sociation will hold its Annual Conven tion in this village next year. This THE BOARD OF TRADE, Audover, N. Y. may not be news to many of our readera; we think we have made some allu- brief conversation with some of your sion to it heretofore, but Sam Suck, the citizens, in regard to coming to Alido-Clockmaker, one of the American ver with a view to manufacturing cut humorists of our boyhood, had as a glass. But at that time I was not preproverb: "If you can't drive a nam at pared to talk business, but promised one lick, keep hammering!" We want them as soon as I was I would let them our people to put the locale of the Fire know. I am ready now to meet the men's Convention of 1898 in a conspic | Board of Trade at any time in the near nous place in their mends. Why ! Inture; the sooner the better; for we Because our firemen have to make want to know before long whether we provision for the entertainment of the can make any satisfactory arrangedelegates and visiting firemen, and they ments with you or not, as we want to expect you, people of Andover, to assist he ready to commence business by them in shouldering and bearing the April 1st, 1898. Please let me hear burden. "An unreasonable request! from you at once. An arrogant demand!" do you say? Well, no, not altogether. You owe h liremen something, don't you? You! sleep soundly at night knowing that with the equipment at its command, to engage in the cut glass industry in the Citizens' Hose Company is as Bar- effective as any similar organization in this paper. Now he announces himcongratulated. They start out with the ney, J. M. Brundage, Frank S. Clark, the county. You know that the company has invariably knocked out too self ready. It looks like business; and fire liend in one short round, don't you? the company assures to life and property sion of their new stores. They are clean, for a considerable sum would you You know that our fire department is a of Andover wants, what the village safeguard against great loss know that it is worthy of support and something more than mere support Throughout the length and breadth of the county the Citizens' Hose Company able comment cannot be given; but the is known. Its proficiency in drill is a. well known in the remote parts of the Land of the Leek as it is here at home We are justified in straightening up and can manifest our appreciation of them acquirements and our trust in their the establishment of the concern here, Lefficiency, in something more-tangible lif-the projector's demands admit of than words of praise, which are very compliance therewith. good things in their way, but which are also very cheap-forms of recom-

In order to raise a fund toward meeting the necessary expenses of the Convention, it has been decided to hold a Firemen's Fair at Prest's Opera | spend the holidays. House, Feb. 1-4 inclusive. In neight boring localities such ventures have completed sunday at 1,625 feet, with plenty of proved remunerative, why may not such a plan work well here?

The firemen—one and all—will do all in their power to make the fair "a go." Every mother's son of them is nke J. G. Percival's "Yankee Boy" who, "when he undertakes it, makes the machine and the machine that makes it, and when his hand is on it. you may know that there's go in it, and he'll make it go;" but the boys can't Lewis Berry's people last week. do all there is to be done without the aid of our citizens. It will require a Clayton Green Saturday and Sunday. good deal of money to defray the cost of entertaining the Association. That tack of pleurisy. -the members of the Hose Company (many of whom are live business men) per 10 cents. will contribute liberally to the fund, nobody will question—they are built that way. But they cannot assume the entire outlay involved. There are many ways in which our people can assist in making the fair a financial success. The donation of articles which may be sold at the fair is one way. The people of our own town cannot be behind those out of town in such donations. Among the contributions already made are; J. D. Cheesman; suddenly, on the morning of Dec. 17th, of carinsurance, \$10.700; Mutual Gas Compatarrh of the stomach, Green Champlin. Fune-ral held at the house on Sunday afternoon.

| The dec. 17th, of caring the compatarrh of the stomach, Green Champlin. Fune-ral held at the house on Sunday afternoon.
