

A Stray Item of News.

Culled from an Exchange in Lockport.

He is a good, honest, hardworking, skilled mechanic. Whether plumbing a house without the eye of the architect watching him, setting valves in played out taps or fitting new ones in position, Mr. T. W. Mulligan, Plumber, of No. 8 Opera House, Lockport, N. Y., finishes his work in a masterly manner, and the reader must acknowledge this is rare amongst the plumbing fraternity. Our representative found him bending over the lead pipe of a sink trap. Often as he straightened up and pressed his hands into the small of his back he ominously shook his head, for his back ached and he suffered like nearly every plumber in our Republic. Our representative quietly remarked, "why don't you use Doan's Kidney Pills." "Well," replied Mr. Mulligan, "I have noticed a score of advertisements about this remedy in our local papers but I thought they were like every other specific which I had tried." "Try them and see," our representative suggested. "If they do not do you any good, they won't do you any harm." Some three weeks afterwards a second visit was made to Mr. Mulligan, when the following particulars were given by him for publication:

"About a year ago my back began troubling me. It was very lame and I had aching across my kidneys. There was a steadily grinding pain all the time when I was on my feet. If I was bending or stooping it hurt me when I attempted to regain an upright position. I used to be very stiff in the morning. Reading about Doan's Kidney Pills I procured a box at a drug store. They promptly and positively cured me. My mother had also suffered from a fall which injured her hip and caused backache. I had her try Doan's Kidney Pills and she was quickly relieved. They also helped her rheumatism. We can conscientiously recommend Doan's Kidney Pills for any trouble of that nature."

Sold by all dealers, price 50 cents per box. Mailed by Foster-Milburn Company, Buffalo, N. Y., sole agents for the United States.

Remember the name Doan's, and take no substitute.

Three Gates.

If you are tempted to reveal
A tale some one to you has told
About another, make it pass,
Before you speak, three gates of gold—

These narrow gates: first, "Is it true?"
Then, "Is it needful?" In your mind
Give truthful answer. And the next
Is last and narrowest—"Is it kind?"

And if it reach your lips at last,
It passes through these gateways three,
Then you may tell the tale, nor fear
What the result of speech may be.

"I have said a hundred times, and I am willing to say it again," said Edward Everett Hale, "that if anybody will take charge of all the poverty and crime which result from drunkenness, the South Congregational Church, of which I have the honor to be the minister, will alone take charge of all the rest of the poverty which needs relief in the city of Boston."

—O—

Dr. Talmage says: "Put into my hand the money wasted in tobacco in Brooklyn, and I will support three orphan asylums as grand and beautiful as those already established. Put into my hand the money wasted in tobacco in the United States, and I will feed, clothe and shelter all the suffering poor on this continent. The American church gives \$5,500,000 a year for the evangelization of the heathen, and American Christians spend \$600,000,000 in tobacco." If the money thus wasted injured no one, we could possibly be silent; but when we realize its immense physical harm as well as its demoralizing influence, God holds us responsible for the position we take on this question.

RULE 2.—Cards of thanks to be charged \$1.

RULE 3.—Obituary notices, except such as are published as a matter of news, and lists of wedding presents to be charged for at not less than 5 cents per line.
