WE SELL CHEAPER THAN ANY OTHER HOUSE. WE IN-VITE INSPECTION; WE URGE COMPARISON.

THE magnitude of business and shower of good wishes which have been accorded us in the new store are very gratifying. All this inspires us to increased efforts for the betterment of this business. The ideal store should be roomy, well lighted and centrally located. Stocks should be liberal and varied, with no room given to trash and shoddy. But above all else, the prices should be right. Perfection is perhaps impossible, but it will be our constant effort to give the people of Andover a store as near the ideal as we know how to make it.

The Christmas rush is over, but business is bound to be lively where prices such as ours exist.

Wishing one and all a Happy and Prosperous New Year, we remain,

Yours sincerely,
