were pleased with the tone of the mes sympathy for the poor Cubans was way the objections were based on the 51 cents. ground that it did not go far enough genuine by making a cash contribut, lin recognizing the rights of the Cu tion of \$5,000 to aid them.

responsibility just as clearly as though. it had said "a Spanish mine."

The war excitement seems to have lessened the Klondike fever. There is more glory in dying for one's country than in dying hunting for gold, and

and accompanying documents, it was promise there might have been an ex plosion in Congress that would have bottle at L. A. Burrows' drug store. been heard around the world.

lose is a sure thing. Biliousness, s to Congress Monday noon, he joined his family at lunch with evident satis usual custom of egg rolling by thou sands of children gathered in the grounds in the rear of the Executive

The Spanish report on the loss of the Maine is really a ridiculous docu ment. The Spanish naval officers at Havana made only the barest pretense of trying to investigate the wreck, and no pretense at all of trying to get the evidence of the survivors as to the conditions existing on the Maine im incdiately before the explosion. Their report was simply made to order, while ours represents the truthful result es extracestive investigation.

LOYALTY OF CATHOLICS.

Bishop Burke, at the Easter service in the Cathedral of the Immaculate Conception in Buffalo, gave voice to the following patriotic sentiments:

It has been asserted that the Cath. plics of the United States would
