TERMS: \$1.00 a Year in Advance. Some of the Spaniards are certain that Commodore Schley spells his

If Roosevelt's "Rough Riders" fight up to their advance notices they will break all fighting records.

Up to the hour of going to press no graduate of this year has undertaken to point out the proper way to fight

It is unimportant who started to build our new navy; it was because the people insisted upon having that we have a new navy.

The volunteers under that second call will have to be lively, or the war will be over before they get an opportunity to do any fighting.

The men of Admiral Dewey's squad ron will receive about \$200,000 premium money, under the law that au-. thorizes the payment of \$100 for each man on an enemy's warship destroye in action.

Verily, the era of good feeling have, by special permission of the Secretary of War, participated in a parade in honor of the Confederate Memorial Day at Richmond, Va.

This is a good time for public opinion in favor of the immediate nexation of Hawaii to make things little warm for the corterie of Senators which, acting in concert with the sugar trust lobby, are preventing ac

The English newspaper correspondent who criticises this Government because it has not announced what its policy is going to be towards Porto Rico and the Philippines, is away off. vise governments do not count chick ens before they are hatched. It is, war Porto Rico and the Philippines will be under our flag, but the policy to be pursued towards them is likely to be shaped largely by circumstances.

Col. Henry Watterson may be er. ratic at times, but there was nothing creatic about his patriotic speech to his answer to a friend who asked him to-use his influence to get a commis. sion for the son of that friend: "1 have two sons carrying muskets in the tanks, soms whom I dearly love, but a bose mivancement I shall not put
