in passing water.

Nothing is so good for curing diseases of the Kidneys, Bladder and Urinary Organs as Dr. David Kennedy's Favorite Remedy, that grand medicine which has been before the public for over 30 years. It should be taken without delay by men and women who have any of the above symptoms, as the disease is apt to prove fatal if not attended to.

From the Convent of the Good Shepherd; Troy, N. Y., comes this short but pointed endorsement, signed by the sisters of that famed and pious institution;

"We have used Dr. David Kennedy's Favorite Remedy for Kidney trouble, and have found it very efficacious."

Sample Bottle Free !

If you wish to test Favorite Remedy before buying it, send your full postoffice address to the DR. DAVID KENNEDY CORPORATION, Rondout, N.Y., and mention this paper. You will then receive a sample bottle, free, and circulars giving full directions for its use. You can 4 depend upon the genuineness of this offer, and all sufferers should take advantage of it at once. The regular size is sold by all druggists for \$1.00 a bottle, and it is well worth the price.
