

THE HORNELLVILLE QUESTIONS

Does your urine contain any sediment? Is the lower part of your back sore, lame? Does your urine have a whitish, milky color? Is there a burning or stinging sensation in passing it? Does it pain you to hold it? Do you have to urinate often, especially at night? If you have any of these symptoms, your kidneys are diseased and your life is in danger. More people die of such disorders than are killed in wars.

Dr. David Kennedy's Favorite Remedy is a direct and sure cure. It goes straight to the seat of diseases in the Kidneys, Bladder and Blood. It hunts out and drives from the system all the impurities that cause pain in the back, Stone in the Bladder, Bright's Disease, Urinary Troubles, and diseases of the Stomach and Liver. It acts at once. There is no long waiting to see if it will help.

"For years I suffered with my kidneys," writes THOMAS QUACKENBUSH, of Pittsfield, Mass. "The pain in my back was so severe at times that I was obliged to keep to my bed. I suffered awfully when passing water, which was often discolored with blood. I tried almost everything in the shape of medicine, but nothing seemed to help me. One day I got a bottle of **Dr. David Kennedy's Favorite Remedy** and used it but a little while when it braced me right up. My back became all right, no pain at all; my water cleared up and passed from me without pain, and I grew better in every way. I consider it a great medicine, as it has done wonders for me. My wife uses it for female complaint, and thinks it's the finest medicine in the world."

Sample Bottle Free.

Every man and woman who reads this paper and is in need of medicine, is invited to send full postoffice address for a free trial bottle of **Favorite Remedy** to the Dr. DAVID KENNEDY CORPORATION, Rondout, N. Y. Our offer is genuine, and the fact that it appears in this paper is a guarantee that the trial bottle will be sent prepaid. Don't delay in writing, and mention this paper. Results of the Firemen's Convention at Andover.

Andover is the largest town of its size in the county. At Andover, Thursday, the Firemen's Convention presented their chief, T. J. Rose, with a beautiful silver trumpet, valued at \$50.—*Bolivar Press.*

Free. W. B. Bundy and his assistants had our sympathy Thursday. Very few of the hundreds of visitors appreciated the disappointment the rain caused them, for very few realized the many days' and nights' work they had given to make the convention a success.—*Alfred Sun.*

W. B. Bundy deserves the thanks of every fireman in the county for his untiring work in behalf of the fifth annual convention. The people of Andover have a right to be proud of him. And there are other hustlers in that pretty village, who worked hard to make the convention and parade a success.—*Bolivar Press.*

With favorable weather Andover would have had a grand demonstration as has ever graced its history, and the citizens of that village are deserving of the thanks of the united fire organizations of the county, and all the spectators of the occasion for their untiring efforts in behalf of the comfort and happiness of their guests.—*Wellsville Democrat.*

As the result of winning the horse race at Andover last week, the members of the Whipple running team enjoyed a delightful outing at Portage last Sunday at the expense of Mr. Geo. D. Whipple. Several days before the race Mr. Whipple announced to the boys that if they were victorious that he would take them all to this famous resort and he kept his word to the utmost.—*Cuba Patriot.*

The Firemen's Convention last week was a grand success in spite of the rain. The town was beautifully decorated with flags, bunting and evergreens. The boys looked neat in their uniforms. The band speak in the highest praise of the treatment given by Andover people and especially the Excelsior Band. Whitesville people will always remember this the fifth annual convention of Allegany county firemen.—*Whitesville News.*

On invitation of the ladies of the fire department the firemen and members of the band met at Firemen's Hall, on Saturday evening, for a banquet tendered them in honor of the success attendant upon their appearance at the County Convention at Andover. A general social time, with a short drill by the fire company whiled away the time until 9 o'clock when they were invited to the dining room, and had placed before them a spread which was "all right" and by the way the things disappeared the boys are good for something besides running.—*Alfred Sun.*

A Young Girl's Experience.

My daughter's nerves were terribly out of order. She was thin and weak; the least noise startled her, and she was wakeful at night. Before she had taken one package of Celery King she had gained in weight so great that she could hardly be taken for the same girl. She is rapidly growing well and strong, her complexion is perfect, and she sleeps well every night.—Mrs. Lucy McNutt, Brush Valley, Pa. Celery King for the Nerves, Stomach, Liver and Kidneys is sold in 25c. and 50c. packages by L. A. Burrows, Andover and F. S. Osborn, Elm Valley.

Dr. David Kennedy's Favorite Remedy CURES ALL KIDNEY, STOMACH AND LIVER TROUBLES.

Truth wears well. People have learned that DeWitt's Little Early Risers are reliable little pills for regulating the bowels, curing constipation and sick headache. They don't gripe. Benedict & Van Noy.
