Importance to the human body than the Kidneys. The poisonous and waste matter from the blood, which troubles shows in the nervous system, and even in the stomach when there are pains in the small of your back—to get up at night to urinate—when the passing of water is when there is a sediment in the urine in the vessel, or is too milky. When so afflicted, you can conquer the trouble by using **Kennedy's Favorite Remedy**, the greatest medicine that has ever known for curing Kidney, Bladder and Liver Diseases.

Dr. David Kennedy's Favorite Remedy, which seemed to fit my case, so I decided to try that before I submitted to the operation. I began its use. The County farm will this year have a hundred and fifty tons of hay and a thousand bushels of potatoes to sell. And the surplus butter sold from the dairy will probably amount to \$600. That's the best showing ever made, by a good way, and creditable.

A GOOD TEMPERANCE LECTURE.

It was on the street. A man recovering from a debauch was moaning to himself: "I must quit! I must reform! I must stop!" "Don't say dat, boss," put in a darky. "Dat's no good. Say: 'I am quit. I is reformed. I've done gone stopped.' Do it now, boss, an den you won't forget it."

Robbed the Grave. A startling incident, of which John Oliver, of Philadelphia, was the subject, is narrated by him as follows: "I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite—gradually growing weaker day by day. Three physicians had given me up. Fortunately, a friend advised trying Electric Bitters; and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and I am now a well man. I know they saved my life, and robbed the grave of another victim. No one should fail to try them. Only 50c. per bottle at L. A. Burrows' drug store.
