It has sent to the cents school commissioners of the state for ties a circular, asking that school course. -ical inspector who is located in the vaccination of children in the public gripe or cause nauses. Benedic

The curfew law seems to have become an epidemic. We notice that in several towns in this county the subject is being agitated, and before many days, other towns besides Wells ville will have adopted the ordinance. We have not expressed our opinion heretofore, nor do we intend to now. If the boys can be kept at home at unseasonable hours in the evening, inhad of being on the streets raising making unnecessary noise, it would be But do we know of a village is framed to restrain evil that has recomplished its object in the full? Compot the parent of a child exert a stronger influence over his boy than a public officer? Cannot a father better control his son than a policeman? Certainly it ought to be so, if it isn't. The move is, in most places, instigated by the W. C. T. U., who always, in any community, strive for the betterment of society. It is well. the curiew law can be made to work, with it Lood speed, and if stadow

Clothing. . . .

Our sales on Clothing during the past few days have been immense. Still we have been adding to our stock every day, new and desirable goods, and the assortment is complete. We shall continue to sell all kinds of ready-made goods, consisting of

Men's, Youths' and Children's Suits and Overcoats,

at "Sale Prices" for a few days longer. Although we have sold hundreds of garments during the past week, we have hundreds left which will go at rock bottom prices. Keep in mind the fact that we do not keep goods in our store till they get out of date. We sell them, and constantly keep adding to our stock all the latest styes. Thus we are able to show the very ' latest cuts in goods that are always bought for spot cash, and we challenge all competitors to match our prices on FIRST-CLASS CLOTHING.

Ladies' Coats and Capes. . . .

We are receiving new Coats and Capes every day. We sell these gar. Sullon's Gallery ments for one of the largest Cloak Houses in New York City. That is the reason we can undersell the smaller concerns doing business in these goods, as we have nothing invested in them, and can sell at manufacturer's pric The large number sold during the past few days proves that we sell them

The great rush of customers that have thronged our several departments during the past week, keeping nine or ten clerks very busy waiting on them, proves that we perform what we advertise, and will not be under-New goods are coming in all the time. Now is the time to buy.
