uring has a brick dust deposit or stron

ben these symptoms are present, no time should be lost in removing the sights its young life should never

Delay may lead to gravel, catarrh of honorable citizenship. A life once the bisdder, inflammation, causing defiled by such sights and sounds can stopping, and sometimes requiring the drawing of the urine with instruments, never be quite the same white life as or may run into Bright's Disease, the before. The question is frequently most dangerous stage of kidney trouble. asked, Should not the parent be the Dr. Kilmer's Swamp-Root, the great custodian of the child? The wise, bladder specialist, is a positive remedy prudent parent will not object to the discovery of the eminent kidney and for such diseases. Its reputation is curfew law, but rather aid in the en world-wide and it is easy to get at any forcement of it, because it not only drug store that no one need suffer any helps him in a point of discipline, but length of time for want of it.

However, if you prefer to first test) its wonderful merits, mention the AN-DOVER NEWS and write to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle and book telling all about it, both sent absolutely free by mail.

THE ANDOVER NEWS.

Andover, N. Y., November 30, 1898.

EDITORS AND PUBLISHERS. TERMS: \$1.00 a Year in Advance.

In substance the demands of the of the year. United States on Spain are these: The cession of the entire Philippine archipelago to the United States for a

cash consideration of \$20,000,000. right to land cables at other points in

the Spanish possessions. The renewal of certain Spanish

They declare that they wish to treat of the religious freedom of the Caroline Islands, as agreed upon between the United States and Spain in 1886.

They propose the mutual relinquish ment of all national or personal claims for indemnity arising subsequent to the last Cuban insurrection.

They refuse to arbitrate article three of the protocol, as to the interpreta tion of the sentence relating to the disposition of the Philippines.

The time fixed by the United States ridding itself of wastel matter. for a definite and final answer from other questions in issue, was Monday of this week.

There has been very little doubt in the minds of the officials at Washington but that Spain will accept the American conditions, sign the treaty, perhaps, without even a protest. The Madrid correspondent of the Standard says: "The Cabinet has concluded that the wisest policy is to accept the American terms, leaving to the Span ' ish commissioners full power to secure the best possible indemnity and to place on record, if the American com-* missioners will permit, a protest against the American interpretations of the protecol, as affecting the Philippines, against the peace conditions gen-
