Cities, states and even nations find it necessary advertise, yet some individuals still try to do business without it.

pansion question, the Republicans will get the big end of the deal, as it is believed that for every Republican more than a hundred men in the other partiés who favor it.

No wonder America surprises the world. It sets its own pace in everything. It took England several hundred years to get rid of the bad blood caused by the war of the roses, while less than thirty five have wiped from the hearts of Americans all the hate and bitterness of a great civil war.

General Lawton's speech at Montgomery, Ala, ought to live as long as we have a regular army. He said : * I am a soldier; I was not a bero; I am a regular; I ant ope of the 16,000 regular soldiers On behalf of that part of the angel I commanded, I thank
