, and when she received her diploma

A glance at our immense stock of shoes will convince you that there must be "something doing" with us in the shoe business. The new styles in children's, Misses, Youth's, Boy's Men's and Women's Shoes for spring and summer are all here and in great variety.

The Queen Quality shoes are the most perfect fitting shoes ever made. The distinguishing features of these famous shoes for women are BEAUTY, EASE, and SERVICE. Their like cannot be found, and we invite your inspection of the line.

The Lincoln Shoe at \$2.00 is another world beater. They have all the stylish appearance and wear better than most of the higher priced shoes. We sold hundreds of pairs of them last year and they gave such universal satisfaction that we have purchased a large supply of the spring and summer styles for 1900.

One of the most attractive shoes we are showing this spring is the "Perfection" shoe, made by the Lincoln Shoe Co. It has the A. Z. O. water-proof tap. Something new in shoe making, made only by the Lincoln Shoe Co. Let us show them to you. Remember this, every pair of Lincoln Shoes are sold under a positive guarantee to give satisfaction. You are to be the judge. Can anything be fairer than that?

All the latest styles in men's and youth's dress shoes in black and tan we have in great variety. Come in and look them over before buying.

In School Shoes the UCANTRIPEM and LINCOLN shoes with A. Z. O. water proof taps lead all
