TOOKTOOKTOOKTOOKTOOKTOOKTOOKTOOK

The American Cereal Co of Chicago, one of the largest and best Milling companies in America, furnish us with an almost endless quantity of testimonials from the best stock and dairy farms in the country recommending the stock feed and wheat feed manufactured by this company. But better than those are the testimonials from our own farmers in this vicinity who have given these feeds results from their use. We will gladly refer you to a great many farmers in this vicinity who are using these feeds and can tell you all about them. Another car of wheat feed has just arrived this week.

THAT "BARGAIN" MATCH!

Perhaps you'd like to take back that watch you bought at a "bargain." It hasn't turned out to be what you paid your money for. But the dealer didn't give you a guarantee, and he has gone out of business. Your money is gone, the dealer is gone, but the watch won't go. If you had one of my watches 10 years ago with my guarantee, it wou 1 be good to-day. It is the same with all my goods. If they are warranted, rest assured that guarantee is good.
