We are selling more shoes than ever before. There is a reason for this. HERE IT IS:

In Ladies's shoes we sell the "LINCOLN" and "QUEEN QUALITY." Lincoln shoes cost but \$2, and every pair is guaranteed. They possess more style and wear longer than any other \$2 shoe manufactured.

In the finer grades the Queen Quality is a recognized leader the world over. Queen Quality shoes fit. Don't have to be "broken in." The style is absolutely the newest and they outwear shoes that cost more money. We have a very extensive line of Oxfords in both Queen Quality and Lincoln shoes. Before you do your shoe buying let us show you these lines.

IN MEN'S SHOES the "Winchester" and "Calumet," both Fisher shoes, are exceptional values. The newest styles in Oxfords for Spring and Summer we are showing in a great variety of styles. We have recently added the "On Top" line of Men's fine shoes. If you are interested in shoes come and look them over.
