How far the Pan-American Exwing said to central: "All you girls its influence. Young or old, man or ere welcome to listen-I know you will anyhow—but after it is over. keep still shout it." And central agid: "We will never breathe it a living soul," and linked the lovers egether, and for half an hour the whole hello force was "busy now" ) every caller.

A Howard (Kan.) man has been trying a novel experiment during the last year. He watched the stock, markets, and made supposititious investments, of which he kept a careful track. At the end of the year he found that if his speculations - been real he would have been out o. pocket just \$300,000. It is a fine illustration of the fate which lies in wait for the amateur on the stock market.

> "Private" John Allen, of Mississippi, has a new story which he tells apropos of his retirement from congress. It is that of a colored preacher who sak in a funeral sermon: "Some say our departed brother was good, some say he was bad. We will leave God to judge and console our grief with the woman, gentle or simple, each visitor knowledge that he is, at any rate, should gain and should be conscious
