Cuba's Electoral Bill. | board, 13 of whose members, with three | The requisites for the exercise c "the electoral franchise in Cuba, as defined by the bill favorably reported . Anna, are similar in many respects to those in this country, but some of the the mission deems it unwise for Chiconditions and requirements are more pese adherents to formulate their own. complicated than ours, and consequent

claims, but that these claims should in ly are likely to prove somewhat more difficult of operation. The basis of the franchise is univermust be able to read and write. Both acts; that no claims should be presentthe president and vice president must ed for lives of adherents killed, but be Cubans or naturalized citizens, but in the case of their being naturalize support of widows and orphans." they must have served in the Cuban army for ten years, and they must b 40 years of age or over. The provision regarding naturalization and servwithholding the financial support ice in the Cuban army was evidently which has hitherto been given the mismade to cover the case of General sionaries in China. Gomez, whom many Cubans, perhaps |

a majority, desire as the president of the new republic, though the setting general does not appear to cover that distinction. The way, however, is open to him to accept the presidency should , the voters of the island elect him and he should consent to take the office. A similar requirement is exacted of candidates for governors of provinces a and provincial legislators they must

naturalized for at least eight years. They must be 30 years old and have lived over two years in the province. They must be the heads of families or ince for a year before the election, or they must possess a professional degree or have been elected to public

There are to be four senators for each one of the six provinces, and they are to be elected by the provincial legislatures and an equal number of o be Cubans by birth or have been naturalized for a period of eight years. They must be at least 25 years of age and only about \$100,000,000 less than grees or must have held public office. over \$2,000.000.000. It will thus be seen that the legislato the Cuban congress, as the legisla- Cotton manufactures. tures of the states have with us.
