Andover High School.

Those in charge of the Andover High School respectfully solicit the consideration of parents, who Mr. and Mrs. Bates and Mr. and contemplate giving their sons and daughters the advantages of a High School course of study. The ten-Mrs. Rumsey of Westfield, Pa., were dency of the present age is toward higher education in every activity of life. The course of study here in outlined is arranged, not only to give a thorough preparation for College or Normal School, but to give young people the best possible equipment for the present increasing demands of a business or professional Regents, Law and Medical Certificates will be issued to qualified students, who anticipate entering Jennie and Mrs. E. L. Hann and professional schools. For those desiring special work, arrangements will be cheerfully made, if possible, he to meet the demands. Our aim is to combine all the qualities which will place the Andover High School second to no school of its nature in the State.

EYPENSES.

All tuition payable within one week after the beginning of each quarter Good board can be obtained at reasonable rates in private families. Rooms may be rented in which

LECTURE COURSE. During the past winter a series of five lectures and entertainments was managed by the school uthorities, and it met with such excellent support that they feel warranted in furnishing a still better course for next winter. The course is not planned for the purpose of deriving revenue but for mental culture and entertainment of the community. Students are given reduced rates thus affording a rare chance Mrs. Sara B. Groves is spending a to hear the best platform talent at a nominal price.

may then receive a permit to enter his classes. This same rule applies to the matter of tardiness. onsider it most essential for the advance of each pupil, and of the school as a whole, that the pupils must Mrs. Mourhess and her sister, Mrs. has been promoted by the civil service be punctual and regular in their attendance, and we respectfully solicit the hearty co-operation of parents Hazlett of Pennsylvania, are passing from the Willard State Hospital to to keep their children daily and attentively at work.

Pupils who are regular in attendance and have an average class standing at 85 per cent. may be promoted at the end of the term (or year) by the recommendation of the teacher and approval of the Princi-Mr. and Mrs. J. V. Young and tained as guests last week. Mr. and Each pupil taking such an examination for promotion must attain at least 75 per cent, in order to be promoted to the next grade. Special examinations may be given any pupil for promotion when by his work his teacher thinks him competent to enter a higher grade. No pupil will at any time, for any reason, be required to remain in any grade when he is prepared to advance. Class standing, rather than examina tions, will be the standard of work. Each teacher above the second grade will be required to keep a daily record of each pupil's recitations. This record, together with the quarterly written tests, will make up the · pupil's standing, which will be sent to the parents and also recorded as a permanent record of the school. Toedt is an efficient book-keeper, in Daniel Fuller of Ulysses. Pa., and Mr. Any pupil will be promoted at the end of the year if he be deficient in only one subject. For further information address the Principal.
