AT AMDOVER N. Y

The week or ten days after the shoot ) ing of the president, while he lay be t tween life and death and during the time of the obsequies, the people har little heart for the exposition, and the was the very time the managers had confidently looked for large gate rea ceipts to recoup the losses sustained earlier in the season. During this time a number of big special days had beer i arranged for at which large attend, ance had been expected. In view of ther nation's bereavement these were veryl properly abandoned or postponed, but E heavy financial loss was sustained by the exposition. It is, however, not too, late for the fair to recover from the) setback incident to the sad nationa. tragedy. There still remain four or five, weeks before the gates are finally) closed, the best weeks of the year for "sightseeing, and there is every reasor) to believe that they will be crowded) -weeks at the Pan-American -Of course no one need feel that it is Incumbent upon him to go to the Buf i falo exposition simply because the late; president had its prosperity at heart. It is well worthy of patronage entirely; on its own account as a most complete. and comprehensive as well as instance
